Subject: Application for music and entertainment licence by Kitson @ Sons Ltd, Bay Horse, 1 North Side, Hutton Rudby
Date: 28 February 2025 15:11:40

We strenuously object to this application on the basis that there is a clear line of audition fron the rear of the Bay Horse to our house and it would unduly impact our ability to sleep. It would perhaps be acceptable for a Friday or Saturday night, but otherwise is totally inappropriate and inconsiderate for a quiet village like Hutton Rudby.
