

Corporate and Partnerships Overview and Scrutiny Committee

Multi-Agency
Overarching Information Sharing
Protocol

Robert Beane
Information Governance Manager
Veritau Limited

Data sharing protocol

- Service delivery partners
- Compliance with Data Protection Act
- To protect privacy of citizens and others when delivering personal services jointly

Many joint delivery partnerships

With the same partners

Documentation repeats the
same points over and again

Put it all in one place

Then put the unique features
into a specific agreement

“Annex J”
