

## **Procurement exercise for the expansion of Malton Secondary School**

**REPORT TO;** The Corporate Director's meeting with Executive Members, Children and Young People's Service.

**DECISION DATE:** 1<sup>st</sup> September 2020

**SUPPORTING ANNEX;** This report includes a supporting Annex which contains exempt information as described in paragraphs 1 and 3 of Part 1 of Schedule 12A to the Local Government Act 1972 (as amended).

### **PROPOSED RECOMMENDATION**

To undertake a procurement exercise for the expansion of Malton Secondary School.

### **BACKGROUND TO SUPPORT THE RECOMMENDATION**

This project aims to create additional accommodation to meet the need for the increased roll of pupils at Malton School. The new block will be made up of general teaching accommodation along with associated toilets and storage facilities. It is likely that the block will become something of a base for one subject group such as Humanities.

The funding for this project is coming jointly from Schools Condition Grant and from S106 contributions obtained from developers in the Malton area. The proportion which will come from Schools Condition Grant was approved on 11 June 2019 by the Executive of the County Council as part of the Schools Condition Capital Programme 2019/20.

The scheme will commence on site in February 2021 and will complete August 2021.

### **LEGAL AND GOVERNANCE COMPLIANCE**

The procurement exercise will be undertaken by the Council's Procurement and Contract Management Service via the YORbuild framework.

This is a key decision. The proposal to procure was entered on the forward plan in March 2020 and dates updated in June 2020.

### **RECOMMENDATION**

That the scheme at Malton Secondary School be procured via the YORbuild framework.
