

GRANT ACCEPTANCE FORM

Directorate	HAS	Service Unit	Public Health
Grant Name	Warm Homes Fund	Funding Body	Affordable Warmth Solutions

Purpose (brief description)	<p>A £150m fund was created by National Grid from the funds acquired from selling off the gas network. It allowed local authorities and registered social landlords to apply for funding to:</p> <ol style="list-style-type: none"> 1. install gas central heating systems into fuel-poor urban homes 2. install non-gas solutions into fuel-poor rural homes 3. create or expand national or regional programmes which bring together relevant organisations and charities to promote energy efficiency and/or health related programmes in relation to fuel poverty. <p>Citizens Advice Mid North Yorkshire (CAMNY) applied for all three categories on behalf of NYCC, to a value of approximately £1 .2m. The bid for category one funding was successful in the sum of £268,529. YES Energy Solutions will use this funding to install 90 whole house central heating systems to vulnerable residents in Ryedale, Scarborough and Hambleton.</p>				
Value (£000)	£268,529	Funding Period	December 18 to December 21	Revenue/ Capital	Revenue
If programme not 100% funded by this grant, specify sources of other funding	<p>“Own funding” of £153,000 is required and this would represent contributions from district councils (30k - secured), private landlords and eco funding (£108K to be applied for – the amount per property depends on the type of house). Balance of £15k from landlord contributions – landlords will be expected to contribute up to £500 per installation.</p> <p>YES energy solutions will be responsible for securing this funding.</p>				
Cessation / Suspension / Repayment of Grant <i>Please attach relevant extract from Terms and Conditions</i>	<p>A recipient agreement form will returned which sets out the terms and conditions.</p> <p>Key risks mitigating actions and contingency arrangements have been set out on page 29-36 of the bid, and YES energy solutions would cover the management of risks and feedback all mitigation action to North Yorkshire County Council</p>				
Any issues on continued funding of the programme at the end of the grant period?	<p>No - the bid proposes to provide measures in 90 homes over the three year period with no additional costs beyond the grant period.</p>
