

**NORTH YORKSHIRE COUNTY COUNCIL**

**13 November 2013**

**SCRUTINY BOARD**

**STATEMENT BY THE CHAIRMAN**

1. Unfortunately due to the number of Chairmen who were unable to attend we had to postpone the meeting of Scrutiny Board on 2 September 2013.
2. The rescheduled meeting is on Wednesday 6 November 2013.
3. At the meeting we will discuss the Executive Quarterly Performance Monitoring report, including its new format and the rolling programme of looking in detail at two key services areas at these meetings. In particular I am keen to ensure that corporate issues are part of the rolling programme.
4. We will also discuss the involvement of the overview and scrutiny committees in the consultations taking place on savings proposals in social care, public transport subsidies and post-16 transport. I think the committees are well plugged into the consultation process but it will be useful for Chairmen to discuss this matter just check nothing slips through the gaps.
5. I will report verbally to County Council on the outcome of our discussions at the meeting.
