

47/05 - **CABINET AND CABINET MEMBER DECISIONS:** Councillor Broadbank referred to item 16 in relation to the Pension Fund and the difficulties he had experienced in comprehending the report in that regard. Councillor Broadbank made the point that ordinary Members would struggle to understand the subject matter, and it was agreed that perhaps this message ought to be conveyed to the author, expressing Members' concern regarding the need for clarity when reporting such complicated issues.

Councillor Broadbank also referred to decision number 5 regarding the General Fund Revenue monitoring and advised Members of the Commission that this was perhaps an issue which required careful monitoring on their part in the meantime. Members considered whether or not to request regular monitoring reports to be presented to the Commission, however, it was agreed that for the time being, the Commission could rely upon the Cabinet Member reports which could be made available to all Members.
