

MATTERS HOLDING THE EXECUTIVE TO ACCOUNT

59/05 - 2005/2006 CORPORATE BASKET OF PERFORMANCE INDICATORS (PIS) – QUARTER TWO REPORT:

In the absence of the Performance Officer, the Scrutiny Officer and Executive Director, Corporate Policy and Improvement submitted a written report which outlined the performance in Quarter 2 of 2005/06 on those performance indicators included within the Council's Corporate Basket of performance indicators for which the Commission was responsible. The report focused on those performance indicators that were unlikely to meet their year-end performance target.

Councillor Clark referred to BV17a in relation to ethnic minority representation in the work-place and queried how Officers had arrived at the 1.2% target. It was noted that this was an area in which this authority would find difficulty in achieving, due to the particularly small minority population in the district. Members of the Commission appreciated the layout of the report, and thanked the Performance Officer for the layout and presentation of the report. Members looked forward to the Quarter 3 report.
