45/06 - **CAR PARKING POLICY WORKING GROUP:** The Chair of the Group, Councillor R Marsh, reported that at the last meeting of the Group the Parking Services Manager and the Concessionary Fares Manager attended and gave presentations on the work carried out by parking attendants and the parking administration staff. He added that the Group had decided it would be beneficial to visit a Council owned car park to see first hand the work undertaken and to also visit the administration offices and look at a number of cases.
