

SCRUTINY CONSULTATION

65/08 - **RECYCLING MARKETS:** The Environmental Contracts Manager submitted a written briefing note in relation to the current economic situation and the effect on the market for the sales of recyclable materials - plastics, card, paper, and metals, which was very poor. This item was considered as part of Minute 64/08 (4).

Members noted the briefing note.

(6.40 pm - 7.23 pm)
