

82/08 - **HARROGATE DISTRICT CLIMATE CHANGE STRATEGY:** The Environmental Strategy Manager submitted a written update on the Climate Change Strategy Review in response to a previous request from the Commission. The Environmental Strategy Manager outlined the recent activity that had been undertaken to develop the Draft Action Plan and summarised the key findings from public consultation on the subject. The Commission **agreed** to note the contents of the update and **it was agreed** that the Commission would receive the final strategy report prior to it being submitted for consideration by Cabinet.
