

MINUTE OF COUNCIL OF 1 MARCH 2006

77/05 - MEMORANDA OF REPORT FROM OVERVIEW AND SCRUTINY

COMMISSIONS: The Chair of the Environment Overview and Scrutiny Commission, Councillor Heather Adderley, referred to the work undertaken by the Commission in respect of the above, following receipt of a request from The Friends of the Earth for the Council to adopt a policy to become GM free and commit to associated principles. The Commission had, therefore, embarked on a two year review, which had culminated in the report presented to Cabinet, and before this evening's meeting of the Council at Cabinet Minute 105/05. In thanking the Commission and its Members for the work undertaken, the Chair commended to the Council the recommendations of Cabinet of 14 December 2005 which proposed adoption of all the Commission's findings in this matter.
