

LOCAL DEVELOPMENT FRAMEWORK PROPOSALS FROM DEVELOPERS

- 2 This Council protests against the government's rules which require councils to ask developers to submit sites for potential development as part of the Local Development Framework. The Council believes that local people are best placed to decide what is right for their area and call on the Government to withdraw the requirement to consider Local Development Framework proposals from developers.

Proposed: Councillor Andrew Jones

Seconded: Councillor Jean Butterfield

In accordance with Standing Order 10(6)(F) this Notice will be debated by Council.
