

107/06(02) - **CRIME AND THE FEAR OF CRIME:** The Cabinet Member for Public Protection and Rural Affairs submitted a written report, arising from a Notice of Motion proposed by Councillor Newby and seconded by Councillor Hawkins, calling on the Council to support the “We Can Cut Crime” campaign. The Cabinet Member had met with the mover of the motion, at which it was noted that the campaign was a Liberal Democrat political campaign, and as such, the Cabinet Member required more time to consider which aspects of the Notice he could support, based on receiving more information from Councillor Newby and looking at the local perspective. The meeting had concluded with the Cabinet Member agreeing to consult further with the mover and seconder of the motion in order to agree a way forward once the further information was to hand.

Moved by Councillor Ellington

Seconded by Councillor Jean Butterfield

and **RESOLVED:**

That the report and action of the Cabinet Member be accepted.
