

30/06 - **MINUTES:** In relation to Minute 23/06, regarding the proposed new Primary Care Centre at Westmoreland Street, Harrogate, it was advised that in the final paragraph the word 'previous' should be replaced with the word 'pension ' to read 'the present surgeries were owned by the GPs and would form part of their pension plan'. The Minutes of the meeting of the Environment Commission held on 11 September 2006, as amended, were approved as a correct record and signed by the Chair.

(Eight Members voted for the motion and there was one abstention).
