Fire

The fire evacuation alarm is a continuous Klaxon. On hearing this you should leave the building by the nearest safe fire exit. From the **Grand Meeting Room** this is the main entrance stairway. If the main stairway is unsafe use either of the staircases at the end of the corridor. Once outside the building please proceed to the fire assembly point outside the main entrance

Persons should not re-enter the building until authorised to do so by the Fire and Rescue Service or the Emergency Co-ordinator.

An intermittent alarm indicates an emergency in nearby building. It is not necessary to evacuate the building but you should be ready for instructions from the Fire Warden.
