**These ground rules are about Team North Yorkshire Health and Wellbeing Board and should apply within and outside of Board meetings. They were adopted by Board members in June 2015.**

We have made a commitment that when working together we will treat each other with **respect**, with **openness and honesty**. We will make sure that there is **equality – everyone is of equal value in the room**. We will **contribute and take part, committing to listen and ask questions of each other, checking that what we heard is what was intended**. We believe it is **good to be passionate**, and we know that constructive **challenge is helpful in getting us to a better place**. We must **voice disagreement, otherwise silence implies consent** but recognise that this should be done **with respect** to other points of view. **We shouldn't expect the same sort of challenge in the public arena.**

**We have a responsibility to model exemplary behaviour, inside and outside of the HWB meetings**, as Board members we should **give and accept support** and **bring collective experience and knowledge to this Board**. Our discussions need to **focus on added value and outcomes** and we must **take responsibility for our decisions**. We should ensure that we **communicate and cascade to our respective audiences and organisations**.

We believe that we should **continually strive to be better and wear our team badges - Team North Yorkshire with pride.**
