

**Nature and Biodiversity**

<b>Indicator</b>	<b>Achievements</b>
Number of Special Interest Road Verges where management work carried out.	
Area of new native woodland created.	
Length of riparian woodland/grassland corridors created.	
Area of lowland heath habitat restored.	
Number of 'best practice' events/promotions and training courses held.	
Number of sites managed by local groups.	
Length of new hedge and hedge gaps replanted (AONB grant-aided).	
Number of salt bins installed on Special Interest Road Verges.	
Number of SINCs where management work carried out.	
Number of ELS agreements.	
Number of HLS agreements.	

## **Cultural Heritage**

<b>Indicator</b>	<b>Achievements</b>
Historic Landscape Characterisation survey completed.	
Number of research studies completed.	
Number of histories of individual parklands completed.	
Number of community management schemes set up.	
Number of parkland management plans completed.	
Number of Conservation Plans for SAMs completed.	
Number of built heritage surveys completed.	
Number of 'best practice' events/promotions and training courses held.	
Number of buildings at risk repaired.	

## **Local Communities**

<b>Indicator</b>	<b>Achievements</b>
Number of village plans prepared.	
Number of community projects completed.	
Village Forum established.	
Number of rural policy consultations responded to.	
Number of talks/education events to local schools/communities.	

## Agriculture

<b>Indicator</b>	<b>Achievements</b>
Number of farms accessing ERDP funding.	
Number of farms receiving advice on conservation grants, countryside management and farm diversification.	
Number of farmers assisted with management of Local Priority Sites.	
Area of land in energy crops schemes.	
Number of 'best practice' events/promotions and training courses held.	

## Forestry and Woodland

<b>Indicator</b>	<b>Achievements</b>
Area of woodland brought into management to the UK Forestry Standard.	
Area of ASNW brought into management.	
Area of woodland brought into management to UKWAS standard.	
Area of PAWS restored to native broadleaves.	
Number of 'best practice' events/promotions and training courses held.	

## Development

<b>Indicator</b>	<b>Achievements</b>
Number of developments determined in accordance with JAC advice.	
Number of successful appeals in AONB as a percentage of the total number of appeals.	
DAPA Project continuing.	
Rural Design Guidance completed.	
Number of Village Design Statements prepared.	
Number of Conservation Area appraisals completed.	
Number of Conservation Area buildings or features repaired/restored.	
Number of planting schemes implemented for visually intrusive developments.	
Local housing needs survey completed.	

## Roads, Transport and Traffic Management

<b>Indicator</b>	<b>Achievements</b>
A64/B1257 junction completed.	
Weight restriction placed on Castle Howard Avenue.	
Service quality and punctuality of bus services.	
Number of companies approached to re-route HCVs.	
Number of villages where traffic speed monitored by automated counters.	
Number of villages where speed checks carried out by police.	
Number of 'speeding' and 'driver behaviour' events held.	
Number of relevant LTP/RTP projects implemented.	
Number of AONB information points giving information on bus services, etc.	
Extended Moorsbus service for Howardian Hills.	
Highway Authority liaison/consultation arrangements established.	
Design protocols prepared and adopted.	
Number of historic roadsigns/mileposts maintained, repaired or restored.	
Number of local beneficiaries/users of schemes (RTP-related projects i.e. W2W, car scheme, brokerage).	

## Recreation, Access and Tourism

<b>Indicator</b>	<b>Achievements</b>
Rights of Way survey and improvement programme completed.	
Quantity of information provided to District Council Tourism Guides, TICs, tourism providers in the AONB.	
Number of car park improvement schemes completed.	
Number of Parish Councils participating in Community Paths Initiative.	
Definitive Map Review for Ryedale District completed.	
Number of 'missing' or 'lower status' route anomalies rectified.	
Length/area of new access routes/areas established.	
Number of circular routes established and guides written.	
Number of meetings of AONB Tourism, Recreation and Access Forum.	

## **Awareness and Promotion**

<b>Indicator</b>	<b>Achievements</b>
Number of gateway signs installed.	
Number of AONB Information Points established.	
Number of site information boards erected.	
General information leaflet produced.	
Number of AONB Information Boards installed.	
Number of AONB 'parish leaflets' produced and distributed.	
Number of school projects carried out. Number of children involved.	
Number of visits to the AONB website. Top 5 most popular pages.	
Number of 'media mentions' per year.	
Number of guided walks and talks held per year.	
Interpretation Strategy reviewed.	
Number of volunteer hours on conservation or recreation work. Number of volunteers involved.
