Please excuse the rushed nature of these comments.

I visited the site with Judith and have the following comments to make:

- 1) I have no objections to the siting of the proposed development.
- 2) The roof materials should be of a dark grey colour, in a matt finish.
- 3) The Yorkshire boarding walls should have a dark stained finish.
- 4) The concrete walls panels on the western and eastern elevations should be finished in a dark colour.
