The comments I submitted on the previous application on this site (08/01111/FUL) still stand (see attachment) and I would wish them to be considered in the determination of this application also:

- The issues I raised in Points 2, 3, and 4 remain unaltered for this application.
- With regard to Point 1, should Consent be granted then the Local Planning Authority will presumably wish to place a Condition on the use of the annex, to restrict occupation to the Applicant's family. Being physically separated from the main dwelling by a considerable distance obviously raises concerns that the 'annex' could be sold as a separate dwelling at some point in the future.
