Subject: 09/01778/APN; Replacement agricultural building, Intake Lodge, Yearsley

Sally

This proposal of course is largely covered by the previous application.

I'm not altogether surprised that they decided to knock down and start again, because I thought that the alteration and lowering of the existing building, as originally planned, was a bit of a going-on.

The only comment I have to make relates to the colour of the roof sheets, which should be a dark matt grey.

Paul
