

Improving Rights of Way Task Group

Notes from the meeting held on 11th September 2007, 4.30 to 6.30pm at County Hall

Attendees:

Allan Aspden, David Swabey, Eric Broadbent, Rachel Connolly, John Taylor, Tony Turner

Apologies:

David Gibson, Paul Tibbatts, Diane Baines

1. Appointment of Chair:

Allan Aspden agreed to chair the task group; Eric Broadbent vice-chair. Tony Turner to note-take.

2. Membership

It was suggested that the membership for this group was the largest of the three and that any members yet to express an interest could be encouraged to choose the smaller groups.

3. The LAF Principles

The rest of the meeting was spent in detailed discussion of the draft principles that had been presented to the last full LAF meeting. The work already undertaken by the Access for All committee was reviewed and all but one of their proposed amendments were agreed. A number of further amendments were proposed.

The composite document from both groups is attached.

4. Meetings of task groups

Members suggested that all task groups should meet in one day. They proposed that the next set of meetings should in fact take place before the next full LAF, and that the preferred date was Friday 16th November, with Thursday 15th November as a second choice.

5. Forward Plan

It was agreed that this would be discussed at the next meeting.
