Dear Sir

Ryedale Local Development Framework: Further Development Sites

Further to previous letters and the consultation events during the summer, I am writing to inform you that additional sites are continuing to be received by the Council. As the Council must consider all sites put forward as part of the Local Development Framework process and because we will not be making decisions on the sites until the middle of next year, we are keen to receive any comments on the new sites that landowners have put forward after the consultation events in the summer.

To ensure that you are aware of such sites and that you have an opportunity to make comments on these sites, should you wish, you can:

- Check the Council's website <http://ldf.ryedale.gov.uk> which will be constantly updated with the new sites that we have received.
- Visit Ryedale House Malton to check the file of paper plans at the Planning Reception, or
- Contact your Parish or Town Council. All additional sites will be forwarded to them.

If you would like to make comments on these additional sites, we would be grateful if you could send any comments to us as soon as possible.

Please can you send your comments to me using the above address, or email them to ourfuture@ryedale.gov.uk or fax them to 01653 690834.

Should you require any further information, please contact me using the information given at the top of this letter.

If you no longer wish to be informed about progress on the Local Development Framework please contact Charlotte Bogg on 01653-600666 extn 335 or on email: charlotte.bogg@ryedale.gov.uk.

Yours faithfully

P. Craddock

Miss Paula Craddock
Forward Planning Officer
