

Local Transport Plan 3 (LTP3) Questionnaire

The Local Transport Plan (LTP) is a document that the Government requires all local transport authorities to produce. North Yorkshire County Council is the transport Authority responsible for transport in North Yorkshire.

North Yorkshire County Council's third LTP (LTP3) will set out our plans and strategies for maintaining and improving all aspects of the local transport system over the period 2011 to 2016. LTP3 will replace our second LTP (LTP2), which finishes in March 2011.

To help us understand what people in North Yorkshire want to see in the LTP3 and to continue to provide the highest quality service to residents and transport users in North Yorkshire, we would like you to answer the following questions. If you have any further comments please feel free to supply them on additional sheets.

Please base your responses on what you think you would like to see in the future (**from March 2011**).
