PUBLIC RIGHTS OF WAY
DEFINITIVE MAP MODIFICATION ORDER AND
PUBLIC PATH ORDER APPLICATIONS - AN UPDATE

1.0 PURPOSE OF REPORT

- 1.1 To provide an update to members on progress with processing Definitive Map Modification Order and Public Path Order applications since September 2011. The cases referred to are listed in the attached schedules.

2.0 RECENT DMMO AND PUBLIC PATH ORDER DETERMINATIONS

- 2.1 Since September 2011 twenty four applications have been fully completed:-

• Creation Agreement	1
• Diversion Orders	15
• DMMOs	7
• Extinguishment Order	1

These Orders are detailed in Appendix 1.

- 2.2 The Creation Agreement proposed by Whixley Parish Council eventually had to be abandoned when agreement could not be reached with the 2 landowners on a suitable alignment for the footpath. The Parish Council is still keen to try to establish a link between the 2 existing footpaths, if the opportunity arises.
- 2.3 A number of the Diversion Orders have resolved longstanding obstructions or missing bridge issues, for example at Knoll Hill Farm, Cowling, Appleton Wiske, Indian Farm, Middleton on Leven, and at the Crown Hotel, Fountains Earth.
- 2.4 Two DMMOs have been confirmed adding footpaths to the Definitive Map in the towns of Settle and Richmond. Although technically the application at Knoll Hill Cowling was rejected, the application actually resulted in the creation of a footpath and the improvement of the existing footpaths in the immediate vicinity by a Diversion Order. The remaining four cases were rejected due to the lack of adequate supporting evidence.

- 2.5 The proposed extinguishment of the footpath at Fewston was considered as the footpath lies parallel to another footpath and was apparently not needed, however the proposal was abandoned following an objection received in response to the informal consultation.

3.0 ORDERS IN PROGRESS

- 3.1 Fifteen Orders have been made and advertised since September, or are to be made within the next few weeks, these are listed in Appendix 2. Three of these, the creation, extinguishment and diversion at Deering Heights, Dacre are running together to provide an improved route whilst providing a little more privacy for the property. The proposed Diversion Orders at Knayton and at High and Low Bishopside will resolve the routes being obstructed by buildings.
- 3.2 There have been two Secretary of State determinations; resulting in the addition of the footpath referred to above, in Richmond, the addition of a bridleway at Shaw Mills, Bishop Thornton. Public Inquiries have been arranged to consider the addition of a footpath at Smelthouses, near Pateley Bridge (March), and the addition of a footpath in Easingwold (September). The decision is awaited on the Diversion of the bridleway at Sugar Hill, Stutton with Hazelwood following the public inquiry in January, and on the Diversion of the footpath at Swinsty Hall, Little Timble.
- 3.3 All other applications that are in progress are listed in Appendix 3.

4.0 NEW APPLICATIONS

- 4.1 Six new applications have been received since September, and are listed in Appendix 4. The Creation Agreement at Settle is to formalise the width of the route of the newly constructed path alongside the river, to be made available to cyclists. The Creation Agreement in Tadcaster is part of a Highways North Yorkshire scheme intending to create an off road route to school. The DMMO application in Moor Monkton relates to the proposed re-alignment of a section of footpath, and the application in Ebberston proposes the upgrade of a route recently subject to a Creation Order for a bridleway.

5.0 RECOMMENDATION

- 5.1 To receive the report for information
