PUBLIC RIGHTS OF WAY
DEFINITIVE MAP MODIFICATION ORDER AND
PUBLIC PATH ORDER APPLICATIONS - AN UPDATE

1.0 PURPOSE OF REPORT

1.1 To provide an update to members on progress with processing Definitive Map Modification Order and Public Path Order applications since February 2013. The cases referred to are listed in the attached 4 schedules.

2.0 RECENT DMMO AND PUBLIC PATH ORDER DETERMINATIONS

2.1 Since February 2013 twenty eight applications have been fully completed:-

- Creation Agreement 1
- Diversion Orders 17
- DMMOs 2
- Extinguishment Orders 3

These Orders are detailed in Appendix 1.

2.2 The Creation Agreement related to the major riverside project at Giggleswick where the riverside footpath was consolidated and improved to include cycle access to the school, avoiding a busy road.

2.3 The majority of the Diversion Orders were promoted at the request and expense of landowners for relatively minor amendments to the network. The confirmation of the Diversion Order at Ripley, following the public inquiry last January, allowed the completion of the now very popular 'Nidderdale Greenway' bridleway and cycle path between Bilton and Ripley. Five applications were abandoned where the cases had little chance of success in the light of objections, or where the applicant has withdrawn their interest in the proposal.

2.4 Two unopposed DMMOs to record footpaths have been confirmed in Pickering and Carleton.

2.5 The three applications for extinguishments of footpaths were abandoned following valid objections received in response to the informal consultations.

3.0 ORDERS IN PROGRESS

- 3.1 Eighteen Orders and Agreements have been made and advertised since February, or are to be made within the next few weeks, these are listed in Appendix 2.
- 3.2 Twelve opposed cases have been reported to the Planning and Regulatory Functions Sub Committee over the last 9 months. .
- 3.3 There are 48 DMMO applications under investigation at various stages, twenty eight are opposed and require determination by the Secretary of State. Four DMMO applications have been submitted, and we are preparing documentation for those public inquiries which will be held in November, December and 2 in February. Priority will be given to submitting further cases in the next 4 months.
- 3.4 There are 78 Diversion Order applications at various stages of processing, of which, 23 are opposed. Liaison between the applicant and the objectors is being undertaken to resolve these cases, before decisions are made whether or not to forward cases to the Secretary of State.
- 3.5 All other applications that are in progress are listed in Appendix 3.

4.0 NEW APPLICATIONS

- 4.1 Six new applications have been received for Diversion Orders.
- 4.2 One application has been received for a DMMO for a footpath at Escrisk Park in Selby district. This application was well supported by evidence and consequently attracted a high priority score. It is currently under informal consultation, and is opposed.
- 4.3 These new applications are listed in Appendix 4.

5.0 RECOMMENDATION

- 5.1 To receive the report for information
