LGYH REGENERATION AND HOUSING BOARD

REPORT OF COUNCILLOR DEREK BASTIMAN

Following our meeting on the 8 July, I am pleased to report that it was very much a "scene setting" meeting and how the Board would be developed in the future. We have agreed to have a workshop prior to our Board meeting in September and this will help in the understanding of our role at the functional sub regional level.

I can further confirm that I have been invited to become a non voting member on the Strategic Housing Board which I have willingly accepted and I will attend their meetings in order to fully understand what their aspirations and hopes are and feed them into our meetings and also act like a conduit between the two bodies.

I will of course report more once we have become more established
