

ADDENDUM TO ITEM 6

Item 6 - Supplement to Proposal for Yorkshire to host the Yorkshire Rally as a Round of the European Rally Championship 2015.

Proposed Local Authority Contributions

The business case presented at item 6 proposes local authority contributions of £285,000 to fund the immediate and overriding issue of the sanction fee required by the promoter Eurosport.

It is proposed the cost of the sanction fee be shared across local authorities in Yorkshire based on a two thirds (North) one third (West) split recognising the opportunities offered by the Rally. The contribution requested from North Yorkshire and York Councils is therefore £190,000 and £95,000 from West Yorkshire with the proposed individual contributions set out in the table below.

The rally will pass through all districts of North Yorkshire with the exception of Craven. As host town and host of a special stage it is proposed Harrogate and Scarborough respectively make higher contributions.
