SCHOOLS AND EDUCATION PROJECT

1.0 PURPOSE OF THE REPORT

- 1.1 This report advises members on progress on the project to promote outdoor access for school children.

2.0 UPDATE

- 2.1 The Chairman, together with Roma Haigh and Tony Martin, had a very friendly meeting with Steve Graham of the NYCC Outdoor Education Service on 12th January 2015 which focused on how each party could help and support the other.
- 2.2 Following this, Tony Martin and Rachel Connolly are respectively leading work to produce modules that can be incorporated into the worksheets used by the NYCC outdoor centres and a blueprint to help teachers promote outdoor access for primary school children.
- 2.3 This work will be brought back to the NYLAF full meeting when it is further completed.
