

North Yorkshire Local Access Forum

17 July 2019

Forward Plan Report

1.0 Purpose of the Report

- 1.1 To consider, develop and adopt a Forward Plan of items of business for future meetings.

2.0 Background

2.1 The 'Guidance on Local Access Forums in England' published by the Department for Environment, Food and Rural Affairs (Defra) strongly recommends that forums prepare a forward work programme which sets out the forum's priorities and special areas of interest.

2.2 This can play an important role in helping the forum to:

- Ensure a focus on issues which are the most relevant for the area
- Clarify the issues on which the County Council or other section 94(4) bodies would benefit from receiving advice
- Timetable when specific matters are likely to be considered
- Inform the public about the forum's work
- Identify training needs
- Review effectiveness and prepare an annual report.

3.0 Forward Plan

3.1 NYLAF has two agreed future meeting dates - 20 November 2019 and 25 March 2020. The Forum meets three times a calendar year but may choose to agree further meeting dates (based on need), and may set up sub-groups to progress specific pieces of work outside of the formal meetings.

3.1 The current work programme is attached at Appendix 1, and Forum members are encouraged to suggest possible items of business for future meetings.

3.2 Please note, following an enquiry from this LAF about how different Forums regards UCRs, the Chairman of Redcar & Cleveland LAF has offered to provide a presentation at a future meeting on the management of UCRs. This has been provisionally added to the Work Programme for the forthcoming November 2019 meeting.

4.0 Recommendation

- 4.1 That the Local Access Forum agrees items of business for future meetings.
