

ITEM 8

North Yorkshire Police, Fire and Crime Panel

5 February 2019

Work Programme

1 Purpose of Report

- 1.1 To invite the Panel to consider its work programme, providing any suggestions for future items to be taken.

2 Background

- 2.1 The work programme at Appendix A highlights those issues within the current policing and crime remit of the Panel (as at publication), which have been previously agreed or which have been added since the last meeting in discussion with the Chair or Vice Chairs. It also includes a number of updates around the Panel's scrutiny of the Commissioner's performance in relation to fire and rescue. Further fire and rescue items will be added over the course of the next few months, such as outcomes of the HIM inspection and the Fire and Rescue Plan.
- 2.2 There are also items detailed below which are pending scheduling into the programme as they require further consideration on their scope and/or need to be scheduled in to fit in with external review or reporting processes. Members are also invited to consider any additional items for inclusion on the programme.

3 Recommendation

- 3.1 It is recommended that the Panel agrees the current work programme.
