

**North Yorkshire Police, Fire and Crime Panel****14 January 2021****Work Programme****1 Purpose of Report**

1.1 To invite the Panel to consider its future work programme.

- 2 The Panel is responsible for setting its own work programme taking into account the tasks that the Panel must undertake and the priorities defined by the Commissioner within the context of the Police and Crime Plan and Fire and Rescue Plan.
- 3 The work programme at Appendix A highlights those issues which have been previously agreed or which have been added since the last meeting in discussion with the Chair or Vice Chairs.
- 4 In relation to scheduling issues, Members are reminded that an additional – provisional – date has been added in June 2021. In addition, it is likely that the meeting scheduled for 22<sup>nd</sup> April 2021 will need to be cancelled, due to restrictions expected to be in place on local authorities in the lead-up to the elections for Police, Fire and Crime Commissioner in May 2021. A decision on this will be brought to the Panel in February.

**5 Recommendation**

5.1 It is recommended that the Panel agrees its outline work programme.
