Training and Meeting Dates

1.0 Purpose of the Report

To provide an update on Pension Board member training.

2.0 Background

The Training Policy was adopted by the Pension Board at its inaugural meeting on 30 July 2015. This set out the knowledge and understanding requirements of members of the Pension Board, routes to obtaining training, and training review arrangements.

It states that the suitability of training events and activities should be based on a self-assessment carried out by each Pension Board member. The regulations place the responsibility for making this assessment, and subsequent action to ensure Pension Board members have an appropriate level of knowledge and understanding, on the individual members. In addition, the Pensions Regulator requires that Pension Board members invest time in learning and development.

3.0 Training Activity

Detailed in Appendix 1 are training events attended and activities undertaken by Pension Board members. Board members are asked to review the training record and advise officers if updates are required.

Pension Board members may wish to discuss the merits of recently undertaken training activity and where appropriate the pros and cons, to inform other Board members of its usefulness.

4.0 Training Opportunities

The Pensions Regulator described the modules on its website as “essential to achieve the required level of trustee knowledge and understanding” and “essential learning for those working with or running public service schemes”. The Pension Board agreed at its meeting on 30 July 2015 that these modules would be completed by all members. It is therefore recommended that any remaining modules are completed in due course.

Pension Board members are asked to discuss and identify their specific learning and development requirements with officers who will make appropriate arrangements for attendance at training events.
