Administration Report

Report of the Treasurer

1. Purpose of the Report

1.1. To provide Members with information relating to the administration of the Fund in the quarter and to provide an update on key issues and initiatives which impact the administration team.

2. Admission Agreements & New Academies

2.1. The latest position relating to admission agreements and academy conversions is shown in **Appendix 1**.

3. Administration

3.1. Membership Statistics

Membership Category	At 01/04/2020	+/- Change (%)	At 30/06/2020	
Active	33,403	-1.0%		33,083
Deferred	38,848	+0.45%		39,021
Pensioner	24,181	+1.15%		24,459
(incl spouse & dependant members)				
Total	96,432			96,563

3.2. Throughput Statistics

• Period from 1 April 2020 to 30 June 2020

Casetype	Cases Outstanding at Start	New Cases	Cases Closed	Cases Outstanding at End
Transfer In quotes	10	34	40	4
Transfer Out quotes	20	120	125	15
Employer estimates	16	52	59	9
Employee estimates	0	242	227	15
Retirement quotes	28	707	699	36
Preserved benefits	358	719	935	142
Death in payment or in service	17	118	101	34
Refunds	66	483	515	34
Actual retirement procedure	499	1,104	1,088	515
Interfund transfers	40	204	216	28
Aggregate member records	277	838	941	174
Process GMP	1	1	1	1
Others	258	418	456	220
Total Cases	1,590	5,040	5,403	1,227

• Alongside the above cases the Pensions team also handled 3,196 phone calls (average 68 per day) and 10,795 emails received via the Pensions Inbox (average 177 per day) in the quarter to 30 June 2020.

3.3. **Performance Statistics**

The performance figures for the period 1 April 2020 to 30 June 2020 are as follows:

Performance Indicator	Target in period	Achieved
Measured work completed within target	98%	98%
Customers surveyed ranking service good or excellent	94%	92%
Increase numbers of registered self-service users by 700 per quarter (total registered users 26,019)	700	1,664

- Our performance has improved significantly from last quarter as a direct result of changes • made to the structure of the team in February. This quarter was the first one with the team working from home as a result of the national coronavirus lockdown. Whilst this was a challenging time for us, our business continuity plan was triggered and successfully implemented with minimal disruption to the work of the team.
- A significant increase in emails received in the guarter was balanced with a reduction in phone calls. Incoming work from employers reduced but requests for retirement quotations increased along with an increase in the number of quotations being converted to actual retirements. A small increase was also seen in the volume of death notifications being received.
- Yet again this guarter our throughput has increased which has seen a reduction in the total cases outstanding at the quarter end. We continue to focus on ensuring current work is processed as priority whilst also working on clearing the oldest dated cases. We are also prioritising payment of benefits to ensure that these continue to be made correctly and on time throughout the current crisis.

3.4. **Commendations and Complaints**

This quarter the following commendations and complaints were received:

Com	men	datio	ns

Date	Number	Summary
April	8	Professional and efficient service. Service received was excellent.
May	4	Thank you for your help and support during this difficult time.
June	5	Helpful and knowledgeable staff.

Com	plaints	
Date	Number	Summary
April	0	
May	0	
June	1	1 Admin – Complicated benefits, needed best pay figure, delay with leaver form

- The complaint categories are:
 - 1. Admin - these can relate to errors in calculations, delays in processing and making payment of benefits.
 - 2. Regs - these relate to a complaint where regulations prevent the member being able to do what they want to.
 - 3. IHER - these are where members have been declined for early retirement on the grounds of ill health and are appealing the decision through the Internal Disputes Resolution Procedure.

Lessons Learned

Having reviewed the complaints received in the period there were no patterns identified requiring further attention.

3.5. Annual Benefit Statements 2020

All 212 year-end files have been received, this is 60 more files than last year. 112 have been processed with 100 still remaining. CoYC has been loaded resulting in approximately 100 queries which are being raised with the employer. NYCC is currently being worked through.

100% of Deferred benefit statements (38,846) have been produced with online versions published on 2 June 2020. Approximately 1,000 paper statements have been printed and posted.

4. Business Plan Update

4.1. In the NYPF 2020/21 – 2022/23 Business Plan nine key actions for the 2020/21 year were identified and approved by Members in the February 2020 Committee meeting. It was agreed that officers would provide a progress report against these key actions, this progress report is attached as **Appendix 2**.

5. Issues and Initiatives

5.1. **GMP Reconciliation**

 ITM have received the final data cut from HMRC and have undertaken the closing data reconciliation exercise. This work is being dovetailed with the pensioner data reconciliation project ITM are also undertaking to align the data sets between the two databases, Altair and Resourcelink.

It is anticipated the pensioner reconciliation work will be completed by 31 October 2020 with the GMP rectification stage being completed shortly afterwards.

5.2. Breaches Policy & Log

The North Yorkshire Pension Fund's Breaches Log is included at Appendix 3 for review. There are 6 new entries. These were all accidental disclosures of personal data where one member's information was sent to another member in error. These were as a result of the revised working arrangements put in place during the coronavirus pandemic.

The breaches occurred during May and since then we have put in place revised and more robust processes including peer checking of outgoing post which appears to have stopped any further recurrence.

5.3. Efficiency Initiatives

• Letter conversion is currently underway as we convert existing letters to the new standard template and change our branding. Content and suitability is also being reviewed as part of this project.

5.4. Administration System Review

- Procurement was undertaken using the LGPS Pensions Administration Software Framework and following evaluation our current supplier, Aquila Heywood, were the winning supplier.
- We will be contracting for a minimum of 5 years with the option to extend for a further period up to an additional 5 years.
- We are also purchasing the following additional functionality:
 - I-connect online employer portal enabling employers to provide data monthly online which will be validated at the front end. This will be rolled out from September onwards with the aim that 100% of all employers will be using it by the middle of 2021. Additional administration costs will be incurred by any employer refusing to utilise this functionality.
 - Integrated pensioner payroll pensioner payroll will now be incorporated within the administration system rather than being on the standalone platform Resourcelink. This will significantly reduce the processing time and risk currently involved in setting up each pensioner.
- Alongside this we will be investing significant resource to improve our use of the existing system to fully utilise its functionality and improve efficiency within the administration function.

5.5. Business as Usual

- It is expected that the remainder of 2020 will be very busy progressing various projects and initiatives within the pensions team and this will impact our ability to continue to process business as usual work within the agreed SLAs.
- Anticipated projects and initiatives:
 - Roll out of employer portal
 - Reconciliation and rectification of pensioner data
 - Rectification of GMP data
 - Migration and integration of pensioner payroll
 - McCloud data gathering and benefit recalculation, estimated to affect approx. 20,000 members in NYPF
 - Website redevelopment for platform replacement, rebrand and to meet accessibility regulations
 - Workflow and work allocation redevelopment and automation
 - Exit Cap changes
- We will continue to prioritise paying member's benefits correctly and on time but other work will be impacted by the requirement to deliver the above projects.
- It is anticipated the impact will be relatively short lived and benefits will start to be realised early in 2021.

6. Member Training

- 6.1. The Member Training Record showing the training undertaken over the year to July 2020 is attached as **Appendix 4**.
- 6.2. Responses to the CIPFA Skills Matrix are being collated and it is anticipated the results of the assessment will be brought to a forthcoming meeting. The outcome of this will be considered alongside the Fund's business plan and budget.
- 6.3. Upcoming courses, seminars and conferences available to Members are set out in the schedule attached as **Appendix 5**. Please contact Ashleigh Burdess (01609 536053 or email Ashleigh.burdess@northyorks.gov.uk) for further information or to reserve a place on an event. Events are limited currently due to the pandemic.

7. Meeting Timetable

7.1 The latest timetable for forthcoming meetings of the Committee and Investment Manager meetings is attached as **Appendix 6**. Meetings will continue to be undertaken virtually until further notice.

8. Recommendations

- 8.1. Members to note the contents of the report.
- 8.2. Members to note the contents of the Breaches Log and determine whether the breaches should be reported to the Pensions Regulator or not.
