

## North Yorkshire County Council

### Richmond (Yorks) Area Constituency Committee

**25 November 2019**

### Work Programme

#### **Purpose of Report**

That Members review the Committee's work programme, taking into account the outcome of discussions on previous agenda items and any other developments taking place across the area.

#### **Work Programme**

The most recent Work Programme is attached at **Appendix 1** and takes account of the areas of work identified at previous meetings. The items in the future Work Programme were to be considered during 2020/21 and Members can prioritise these for consideration at future meetings.

Given the situation in 2020, with the COVID 19 pandemic, it is recommended that the Committee revisits the Work Programme to review areas that could be covered in forthcoming meetings, in response to the situation created by the pandemic, with additional, relevant items identified by Members added to the Work Programme.

#### **Remit of the committee**

The Area Constituency Committees:

- Act as a forum for Members to bring forward issues affecting their local Electoral Divisions
- Hear and respond to questions and statements from members of the public relating to anything affecting the community within the constituency area
- Agree a Work Programme which lists items of business which the Committee wishes to consider at future meetings
- Undertake meaningful scrutiny of local health issues within their constituency area, complementing the strategic work undertaken by the Scrutiny of Health Committee

- Undertake meaningful scrutiny of local transport issues within their constituency area, complementing the strategic work undertaken by Transport, Economy and Environment Overview and Scrutiny Committee
- Act as consultees in major decisions that affect their constituency area (including responding to consultations)
- Make recommendations on the application of Innovation funding (supported by the Stronger Communities Team)
- Develop a working relationship with the local MP, sharing updates and information on relevant local issues being addressed by the committee.

### **Scheduled committee dates in 2019/20**

Forthcoming committee dates are:

- Potential January Meeting – tbc - – Annual review of the County Council's budget
- 10am on Wednesday 24 March 2021

Dates for 2021/22 meetings will be available shortly.

### **Recommendation**

(i) Members are asked to consider and develop the Committee's Work Programme; and

(ii) Determine whether an additional meeting will be held in early January to consider the County Council's budget for 2021/22 and provide a date and time for that to be held (potentially Wednesday 13 January 2021 at 2pm) .
