1. Additional Letter of support

The comments reiterated those already described in the committee report.

Item 1.5

APPLICATION NUMBER:	2019/0941/FULM	PARISH:	Selby Town Council
APPLICANT:	Legal & General Modular Homes	VALID DATE: EXPIRY DATE:	27th September 2019 3 rd April 2020
PROPOSAL:	Proposed redevelopment of site to provide 154 residential units (Use Class C3), construction of new vehicular access onto Portholme Road and laying out of open space		
LOCATION:	Selby District Council - Old Civic Centre Portholme Road Selby YO8 4SB		
RECOMMENDATION:	Approve subject to the completion of a Section 106 Agreement		

Since the Officers Report was written a typo has been amended at paragraph 2.9 of the report. This should state, *“The Conservation Officer provided comments verbally in that there are no objections to the proposed development.”*

Further to this, a condition has been added relating to electric vehicle charging points. This is as follows:

- *No development above slab level of the dwellings hereby approved shall commence until details of electric vehicle charging points for each dwelling have been submitted to and approved in writing by the Local Planning Authority. Thereafter the approved charging points shall be provided prior to occupation of each dwelling and subsequently retained for that purpose.*

Reason:

To encourage the use of low emission vehicles, in turn reducing CO2 emissions and energy consumption levels in accordance with Plan Policy SP15.

Comments have also been received from NYCC Highways regarding the Officers Committee Report. These confirm that the report *“...makes the County Council position clear.”*

In considering all of the above, this would not change the assessment made.
