Community Engagement Forum

# Central Community Engagement Forum (CEF)

Covers the following areas:

**Barlow, Brayton, Barlby Bridge and Selby.**

## **What is the Community Engagement Forum?**

Community Engagement Forums are public meetings at which you can raise any concern or make any comment about your local area and your local services.

The meetings are a chance to speak directly to the people who deliver your local services, for example policing, street cleaning and road safety.

The Partnership Board is made up of District, County, Town, and Parish Councillors, and Community Activists.

## **What is the Community Fund?**

The CEF receives an annual budget that it can distribute to groups and organisations within the area. There are two types of funding available; grant funding and project funding.

This is a wonderful opportunity to develop new ideas, purchase essential equipment or help to fund community initiatives. Assistance is available to help you plan and complete your application.
