CEF Funding Opportunities

Selby District is divided into 5 Community Engagement areas.

Each CEF area has a Partnership Board with an annual budget that it can use to award grants and project funds to community groups and organisations.

The Southern CEF area comprises of the following parishes:

Balne, Beal, Burn, Camblesforth, Carlton, Chapel Haddlesey, Criddling Stubbs, Drax, Eggborough, Gateforth, Heck, Hambleton, Hensall, Hirst Courtney, Kellington, Kirk Smeaton, Little Smeaton, Long Drax, Newland, Stapleton, Temple Hirst, Thorpe Willoughby, Walden Stubbs, West Haddlesey, Whitley and Womersley.

What is the Community Engagement Forum?

Community Engagement Forums are public meetings at which you can raise any concern or make any comment about your local area and your local services.

We hold Community Forums where all residents of the CEF area can attend. The Community Forum meetings give you a chance to speak directly to the people who deliver your local services, for example policing, street cleaning and road safety. This is a chance for you to have your say about the issues that are important to you and the place where you live.

The Partnership Board meetings are where funding applications are discussed and necessary decisions are made for the furtherance of forum business. The Partnership Board is made up of District, County and Parish Councillors, and co-opted members of the community.

What is the Community Fund?

Each CEF receives an annual budget that it can distribute to groups and organisations within its own CEF area. There are two types of funding available; grant funding and project funding.

What sort of projects can CEF fund?

Each CEF has developed its own Community Development Plan (CDP) which focus on areas of priority for that community. Applications for funding must show that they meet one or more of the objectives on that CEF's CDP. It must also show that it has community support e.g. by giving evidence of discussions and consultations with local stakeholders.

How do you apply?

The application process is the same across all CEF areas. You can download an application form from our website: <http://www.selby.gov.uk/southern-cef-funding-0> Once completed, please email it to cefadmin@selby.gov.uk
