

TADCASTER & VILLAGES COMMUNITY ENGAGEMENT FORUM

Special Flood Forum, 7pm on Monday 8th February 2016, Riley Smith Hall

Following the floods: what's been learned and what are the next steps?

In response to the floods, your Community Engagement Forum has arranged for senior representatives of key agencies involved in helping the town and villages recover to come to a special Forum – to tell us what they are doing now and what they plan to do next, and to answer your questions and hear your views.

- North Yorkshire County Council – David Bowe
- Selby District Council – Rose Norris
- Yorkshire Water – Charles Haysom & Gary Collins
- Environment Agency – Neil Longden
- Tadcaster Emergency Action Group – Nicola Eades

Because the hall only holds 360 people seated and the likely demand for places will be high, we are asking people to register in advance. Places are allocated on a 'first come, first served' basis. You can reserve places (upto 2 per person) by:

Phone: 01757 292037

Email: CEFAdmin@selby.gov.uk

In person: at The Ark, Kirkgate - open Monday-Thursday 9.30-12.30

A special bus service will run from the bus station round to the Riley Smith Hall: departing at 6.15pm and returning at 9pm.

For any further information about this event please contact David Gluck: 01937 831686 / davidgluck@ruralis.co.uk
