- 2. Confirm appointment of Vice-Chair**

- 4. Terms of Reference**

As a shareholder, the Council's role is not to manage the business on a day to day level. The Company's Board will be responsible for running the business and should be given sufficient freedom to deliver the strategic and operational priorities of the Company. The Board should have Directors with the right skill to be able to manage the business of the company.

In order to strengthen the Council's governance arrangements over the ownership rights of the companies, the Shareholder's Committee which carries out the vast majority of formal decision making on behalf of the Council regarding the Companies will be made by the Shareholder's Committee. Please see the Shareholder's Committee Report dated 17<sup>th</sup> October 2017 for full functions and powers.
