

**North Yorkshire County Council  
Skipton and Ripon Area Constituency Committee  
17 December 2020**

**Schools, educational achievement and sustainability**

**1.0 Purpose of the Report**

- 1.1** To inform Members of the local educational landscape, educational achievement and the financial challenges which affect schools in the Skipton and Ripon constituency committee area.

**2.0 Local educational landscape**

- 2.1** There are now 7 primary academies and 4 secondary academies within the Skipton and Ripon constituency area. The academy conversion rate is lower within the constituency area than the county as a whole (10.8% of primary schools in the area compared to 28.3% in North Yorkshire, and 44.5% of secondary schools in the area, compared to 56% in North Yorkshire).

**Summary of schools' status – November 2020**

|                               | <b>Schools in North<br/>Yorkshire</b> |            | <b>Schools in<br/>Skipton &amp; Ripon<br/>ACC</b> |              |
|-------------------------------|---------------------------------------|------------|---|--------------|
| Primary Maintained            | 218                                   | 71.7%      | 58  | 89.2%        |
| Primary Academy & Free School | 86                                    | 28.3%      | 7   | 10.8%        |

### 3.0 School standards

#### 3.1 School Ofsted judgements

In the constituency area 82.5 per cent of primary schools are judged good or outstanding by Ofsted, which is above the figure for North Yorkshire but below national benchmarks. Performance is stronger for secondary schools, with 88.9 per cent judged good or outstanding which is above all benchmarks.

Within the constituency area there are 12 primary schools judged 'Inadequate' or 'Requires Improvement' and 1 secondary school judged 'Requires Improvement'.

#### 3.2 Attainment overall

Following the Coronavirus pandemic, pupils in all phases of schooling did not sit formal examinations in 2020. This means that for GCSE and A Levels, pupils' grades are based on centre assessed grades (CAGs) or the grade calculated by the exam board during the standardisation process, whichever is higher. Schools followed rigorous guidance in order to make sure that their CAGs were as accurate as possible. Since government guidance states that 2020 outcomes must not be used for monitoring and accountability purposes, the Local Authority will not be publishing 2020 examination results or outcomes at any key stage. Ofsted inspections have ceased and will not be reinstated until January 2021 at the very earliest. Ofsted 'visits' are being undertaken during the Autumn term in order to gather information about how schools across the country are managing the full return to school. Guidelines for Ofsted inspectors state that the any data used for monitoring purposes must be based on 2019 assessment outcomes and not 2020 data.

#### 3.3 The following sections provide 2019 outcomes on:

- Early Years Foundation Stage Profile – assessment at the end of reception (4-5 year olds)
- Key Stage 2 – assessment at the end of primary school (10-11 year olds)
- Key Stage 4 – assessment at the end of secondary school (15-16 year olds)
- Key Stage 5 – assessment at the end of sixth form college (17-18 year olds)

### 3.4 Early Years Foundation Stage Profile

74.4% of children in the constituency area achieved a Good Level of Development. The level of performance has increased since 2017 and is slightly higher than the North Yorkshire and national average.

| Early Years Foundation Stage Profile – percentage achieving a good level of development |                 |                 |          |
|---|-----------------|-----------------|----------|
|   | Skipton & Ripon | North Yorkshire | National |
| 2017  | 72.0%           | 71.6%           | 70.7%    |
| 2018  | 72.9%           | 72.5%           | 71.6%    |
| 2019  | 74.4%           | 72.8%           | 71.8%    |

### 3.5 Key Stage 2

64.5% of children in the constituency area achieved the expected level or above in reading, writing and maths combined, which is above the North Yorkshire and slightly lower than the national benchmarks. The level of performance has increased by 3.3% since 2017.

| Key Stage 2 - percentage achieving the expected standard or above in reading, writing and maths combined. |                 |                 |          |
|---|-----------------|-----------------|----------|
|   | Skipton & Ripon | North Yorkshire | National |
| 2017  | 61.2%           | 58.7%           | 61.1%    |
| 2018  | 64.7%           | 62.2%           | 64.4%    |
| 2019  | 64.5%           | 63.3%           | 65.0%    |

### 3.6 Key Stage 4

The average Attainment 8 score, which measures the achievement of a pupil across eight qualifications, was 55.2. This is higher than the North Yorkshire and national average. Performance has increased slightly in the constituency since 2018.

| KS4 – Average Attainment 8 Score |                 |                 |          |
|----------------------------------|-----------------|-----------------|----------|
|                                  | Skipton & Ripon | North Yorkshire | National |
| 2017                             | 56.4            | 49.6            | 46.3     |
| 2018                             | 52.9            | 48.3            | 46.6     |
| 2019                             | 55.2            | 48.7            | 46.7     |

3.7 The Progress 8 score, which measures a pupil's progress from the end of primary school to the end of secondary school, was 0.35 which is also significantly above all benchmarks (0 is the national average).

| KS4 – Average Progress 8 Score |                 |                 |          |
|--------------------------------|-----------------|-----------------|----------|
|                                | Skipton & Ripon | North Yorkshire | National |
| <b>2017</b>                    | 0.43            | 0.17            | 0.00     |
| <b>2018</b>                    | 0.33            | 0.13            | 0.00     |
| <b>2019</b>                    | 0.35            | 0.09            | 0.00     |

- 3.8** The percentage achieving a grade 5 or above (grading is 9-1) in English and Maths was 59.7%. This is higher than the National average and the North Yorkshire average. The results in this constituency increased slightly between 2018 and 2019 whereas there was a more modest decrease across North Yorkshire and a small increase in scores nationally.

| KS4 – Percentage achieving a grade 5 or above in English and Maths |                 |                 |          |
|--|-----------------|-----------------|----------|
|  | Skipton & Ripon | North Yorkshire | National |
| <b>2017</b>  | 62.2%           | 50.4%           | 42.6%    |
| <b>2018</b>  | 57.1%           | 47.7%           | 43%      |
| <b>2019</b>  | 59.7%           | 47.4%           | 43.2%    |

### 3.9 Key Stage 5

The A-level average point score per entry in the constituency was 36.9, which is higher than the North Yorkshire and National averages.

| KS5 – A-level average point score per entry |                 |                 |          |
|---|-----------------|-----------------|----------|
|   | Skipton & Ripon | North Yorkshire | National |
| <b>2017</b>                                 | 37.8            | 33.9            | 32.3     |
| <b>2018</b>                                 | 36.9            | 32.8            | 31.8     |
| <b>2019</b>                                 | 36.9            | 33.4            | 32.2     |

### 3.10 Not in education, employment or training

There were 1030 young people recorded in Year 11 in this constituency in May 2019 and of this cohort only 5 (0.49%) were not in education, employment or training after leaving school as of January 2020.

## 4.0 Fixed-term and Permanent Exclusions

### 4.1 Fixed-term exclusion incidents

The table below shows the number of fixed-term exclusion incidents for the 2019/20 academic year to 23rd March (lockdown).

| Fixed term exclusions                      |                 |                 |                                     |   |
|--|-----------------|-----------------|-------------------------------------|---|
| Academic year                              | Skipton & Ripon | North Yorkshire | Percentage of North Yorkshire total | Most common reason                      |
| 2020/21 to 30 November                     | 164             | 1135            | 14.5%                               |   |
| 2019/20 (up to 23 March Covid-19 lockdown) | 616             | 4111            | 14.9%                               | Persistent disruptive behaviour (52.9%) |
| 2018/19                                    | 569             | 5970            | 9.5%                                | Persistent disruptive behaviour (50.4%) |
| 2017/18                                    | 764             | 6,005           | 12.7%                               | Persistent disruptive behaviour (60.2%) |
| 2016/17                                    | 523             | 4,583           | 11.4%                               | Persistent disruptive behaviour (48.7%) |

The pupil population in the constituency area accounts for 17.4% of the North Yorkshire total (14420/82957 in October 2019).

In the 2019/20 school year up to Covid-19 lockdown (23rd March 2020), 616 of the 4111 incidences of fixed-term exclusions in mainstream schools across the county were applied to 190 children and young people who went to schools in the constituency. The current rate of children fixed-term excluded at least once in the year is 1.4% of the mainstream school population in the constituency.

In the 2020/21 academic year to 30 November, there have been a total of 1135 fixed term exclusions for a total of 669 individual children in North Yorkshire, 99 of these children were on roll of mainstream schools in Skipton and Ripon constituency. In the same period last year, there were 1944 fixed-term exclusions for a total of 924 individual children, 148 of these children were on roll of mainstream schools in Skipton and Ripon constituency.

Fixed-term exclusions can be a useful sanction, but frequent use can place pressure on family and foster placements, impacts on achievement, and may lead to risky behaviour while the pupil is not in school during the day.

## 4.2 Permanent exclusions

The table below shows the number of permanent exclusions and the most common reasons for permanent exclusion:

| Permanent exclusions                       |                 |                 |                                     |  |
|--|-----------------|-----------------|-------------------------------------|--|
| Academic year                              | Skipton & Ripon | North Yorkshire | Percentage of North Yorkshire total | Most common reason                             |
| 2020/21 to 30 November                     | 1               | 8               | 12.5%                               |  |
| 2019/20 (up to 23 March Covid-19 lockdown) | 7               | 56              | 12.5%                               | Persistent Disruptive Behaviour (4 exclusions) |

|                |    |     |       |   |
|----------------|----|-----|-------|---|
| <b>2018/19</b> | 7  | 87  | 8.0%  | Physical Assault against a pupil (4 exclusions) |
| <b>2017/18</b> | 12 | 103 | 11.6% | Persistent Disruptive Behaviour (6 exclusions)  |
| <b>2016/17</b> | 7  | 86  | 8.1%  | Persistent Disruptive Behaviour (6 exclusions)  |

In the 2020/21 academic year, There have been 8 permanent exclusions to 30 November, 1 of which was for a child from a Skipton and Ripon school.

In the same period last year, there were 20 permanent exclusions, 3 of which were from Skipton and Ripon schools.

- 4.3** From September 2020 the transition of the Pupil Referral Service (PRS) to provide preventative places to reduce the need for secondary exclusions has been introduced. Schools are able to request placements at the PRS as part of a joint education programme for children that are disengaging from mainstream school. The partnership approach between the PRS and school will ensure that children receive the necessary support without a permanent exclusion.

## **5.0 Special Education Needs and Disabilities**

### **5.1 Reshaping of SEN Provision in Skipton & Ripon over the 2019/20 Academic Year**

#### **5.1.1 Targeted Mainstream Provision**

As part of the SEND Strategic Plan for Educational provision 2018-23, it was identified that there was a need to change the model for Enhanced Mainstream School (EMS) to provide greater numbers of full time places for children with an Education, Health and Care (EHC) Plan who were able to access mainstream schooling but with additional support to meet their special educational needs. A new model of provision, Targeted Mainstream Provision (TMP) has been developed which is intended to help the LA meet demand for full time education provision for children with SEND and who have an Education, Health and Care Plan. As the number of children with an EHC Plan continues to rise and demand increases on special school and high cost independent school places, the establishment of full time places in TMP will assist the LA in providing suitable local education provision to meet levels of demand.

Following the required statutory process the decision to implement these changes from September 2020 was approved in August 2020. The number of schools currently approved to operate TMP represents the first phase and it is intended that over the next year further schools will be brought on board to increase the total number of TMP across the county. Grove Road Community Primary School will be the first school to begin operating the new model in the Harrogate district and will be fully operational from January 2021.

Outreach support and intervention for children and young people with SEND will continue to be met by the new SEND multi-disciplinary hubs made up of with specialist staff employed directly by the Local Authority including specialist teachers, practitioners, educational psychologists and therapists. These Hubs have been operational since September 2020 and are working with schools to provide support to children as and when required.

## **5.2 SEN Statistics for Constituency Area**

As of January 2020 there were 482 children living in the constituency area with a North Yorkshire funded EHC plan, 15.7% of the North Yorkshire total. The most common needs for children with a North Yorkshire funded EHC plan living in the area are Autistic Spectrum Disorder (ASD) at 33.4 % and Social, Emotional and Mental Health (SEMH) at 18.7%, and Moderate Learning Disabilities (MLD) at 12.5%.

As of January 2020 school census there were 1364 children recorded as SEN Support from schools in this constituency, 14.8% of the North Yorkshire total. The most common needs for children receiving SEN support in the area are Social, Emotional and Mental Health at 18.8% and Specific Learning Difficulties (e.g. dyslexia) at 23.1%.

## **6.0 Elective Home Education**

As of 30 November there were 765 children recorded as Electively Home Educated (EHE) in North Yorkshire, 105 of which were formerly from a mainstream school in Skipton and Ripon ACC. At the same point last year, there were 594 children EHE in North Yorkshire, 70 formerly from a mainstream school in Skipton and Ripon ACC. This represents a 29% increase in North Yorkshire and a 50% increase in Skipton and Ripon ACC.

Between 1 Sept 2020 to 30 November 2020, 216 children became EHE in North Yorkshire, 30 of which were formerly educated in a mainstream school in Skipton and Ripon ACC. The comparative figure for the same period last year was 91 children in North Yorkshire with 14 of those been from Skipton and Ripon.

## **7.0 School Finance**

### **Factors affecting the short, medium and long term sustainability of (rural) schools**

#### **7.1 Schools in Financial Difficulty – the countywide position**

As of March 2020 the overall position for North Yorkshire Schools was:

- 37 schools with accumulated deficits totalling £7.2M
- This was an increase of £2.2M from 2018/19 (after adjusting for school closures, amalgamations and academy conversions in 2019/20)
- Deficits range from £1k (small primary) up to £1.6M (special school)
- Average primary school in deficit is £45k
- Average secondary school in deficit is £521k
- Of the 37 schools, 19 are predicting that their position will deteriorate
- 18 schools are projected to improve their position, but only 9 are projected to get back into surplus

#### **7.2 School Projections - Based on May 2020/21 Start budgets**

- 115 LA maintained schools (49%) are projecting an in-year deficit in 2020/21
- 7 schools will move from a surplus balance to a deficit balance by March 2021
- 15% of LA maintained schools are in deficit – that is projected to rise to just over one in five by 2021/22 and two out of every five by March 2023.

|   | 2017/18 | 2018/19 | 2019/20 | 2020/21 | 2021/22 | 2022/23 |
|---|---------|---------|---------|---------|---------|---------|
| <b>Number of Schools in Deficit</b>     | 54      | 47      | 37      | 35      | 55      | 93      |
| <b>Value of Deficit</b>                 | £4.4M   | £6.0M   | £7.2M   | £9.4M   | £12.5M  | £18.3M  |
| <b>Proportion of schools in deficit</b> | 19%     | 18%     | 15%     | 15%     | 23%     | 40%     |

### 7.3 Funding

- Concern around overall quantum of funding given cost pressures (e.g. future pay awards, additional expenditure and income loss associated with Covid-19))
- North Yorkshire secondary schools are placed 133 out of 149 local authorities in terms of funding. On average, a school in North Yorkshire will receive £5,151 per pupil in 2020-21 compared to a national average of £5,496. Comparing the funding for a 1,500 pupil secondary school this equates to a difference in funding of £0.5m
- For primary schools, a North Yorkshire school will receive on average £4,347 per pupil compared to a national average of £4,279.
- Concern over impact of continued high needs financial pressures on school budgets
- North Yorkshire has a number of schools that, geographically, are vital in serving their local communities. Inadequate sparsity funding and general financial pressures, particularly for smaller secondary schools, continue to be a significant concern.

### 7.4 Schools in Financial Difficulty – Skipton and Ripon

2 nursery schools, 57 primary school budgets, 5 secondary schools, 2 special schools, 1 PRU

| 2020/21  | 2022/23  |

## 8.0 Planning school places

### 8.1 School sustainability

The sustainability of schools is largely influenced by three key factors which are usually closely related to each other:

- Falling pupil rolls

- School standards
- Financial difficulty

Where school closures have regrettably occurred in North Yorkshire all of these factors have been relevant. There have been 10 closures in the county over the last 3 years, 5 of those were within this constituency area.

Following discussions and working closely with the Church of England Diocese of Leeds, North Yorkshire County Council is currently consulting on a proposal to close Kell Bank school with effect from the 31 August 2021. Kell Bank is a Church of England Voluntary Controlled Primary school in the Masham area.

The current consultation closes on the 21 December 2020 and the County Council's Executive will review the responses to the consultation on 26 January 2021 and decide either to halt the process or to publish statutory notices, with a final decision scheduled to be taken on 23 March 2021.

## **8.2 Collaborative working**

Collaborative working is two or more schools working together to the mutual benefit of their pupils with the overall aim of improving outcomes for all. This has the potential to broaden opportunities and contribute to efficiencies. There are seven primary federations in the Skipton and Ripon area. In one of these federations there are 4 maintained schools with a single governing body and Headteacher and the rest are made up of 2 primary schools.

There is a proposed federation of five primary schools in Nidderdale (currently 4 of these schools are in an existing two school federation) for which the school governing bodies started a consultation early this year. They subsequently decided to pause this consultation due to the current pandemic.

## **8.3 Pupil rolls – current and future**

The County Council has a statutory duty to ensure sufficient school places are available for every child under the Education Act 1996. For this purpose, it groups schools together into planning areas in accordance with the requirements of the Education and Skills Funding Agency. Appendix 1 shows the planning areas together with:

- Capacity in the planning area
- Current numbers on roll
- Projected future numbers
- Projected impact of approved housing developments

The County Council is carefully monitoring pupil numbers across the Skipton and Ripon constituency area. A large proportion of the constituency is rural and served by small schools located within villages. Across the constituency schools have worked innovatively to mitigate these challenges including forming local federations. Like all small schools the fluctuation of pupil numbers exacerbates the already challenging nature of school funding.

The picture in the constituency area mirrors that in the rest of the County namely projected growth and new housing in the urban areas contrasting with declining numbers and little new housing in the rural locations. There are several social and economic reasons for this including the availability and price of housing and

employment factors. Currently we have several areas where the numbers on roll are falling and we have surplus capacity in the School system.

Appendix 1 does not include projections of pupil yield from sites proposed in the recently adopted Harrogate Borough Council Local Plan or the Craven Local Plan that do not yet have planning approval. Within the constituency area, Skipton town and Ripon will accommodate most of the housing growth over the Local Plan Period.

The key points to note within LA planning areas across the constituency area are:

#### **8.4 Primary**

##### **Ripon Town**

In addition to a number of current developments on-site or those with outstanding permission within Ripon Town, an outline planning application for 1,300 units at Claro Barracks, Deverell Barracks and Laver Banks has been submitted to Harrogate Borough Council and this includes land for a new two form entry primary school. There is some limited capacity in existing primary schools in Ripon to cater for the first phase of housing development (at Deverell Barracks). CYPS are working collaboratively with Homes England and Defence Infrastructure Organisation on the provision of a school site on part of Claro Barracks and associated s.106 education contributions. It is currently anticipated that a new primary school will be provided in 2025.

##### **Masham**

Although there are indicated sites within the Local Plan for Harrogate District, none of these sites are currently being developed.

##### **Boroughbridge**

Although there a high number of housing permissions in this area, we are not yet seeing an impact on local school places but are monitoring the situation carefully in Boroughbridge Town and Kirby Hill.

##### **Harrogate Primary Outer**

The significant housing development planned/underway in the Harrogate west area which will affect Beckwithshaw School has been reported in the Schools, educational achievement and sustainability report to the Harrogate and Knaresborough Area Constituency Committee.

##### **Skipton Town**

During the consultation on the Craven Local Plan the need for two additional primary schools within Skipton town was identified. Based on normal pupil yield from new housing there are forecast to be a further 219 pupils from existing housing permissions, and 351 pupils from the proposed Local Plan allocations. This will result in a shortfall of 326 places for primary aged pupils in Skipton town if all Local Plan housing allocations are built out. We therefore requested two new sites for primary school provision of 210 places each. It was suggested that one of these could be located on land already within NYCC's ownership to the north west of the town (Raikeswood Drive), and the other could be within sites to the east of the town (Airedale Ave and Elsey Croft). Other options are also being explored in terms of providing additional places at existing schools.

## 8.5 Secondary

### Ripon Secondary Schools

There are three secondary schools in the Ripon area; Ripon Grammar School, Outwood Ripon Academy and Nidderdale High School and Community College, Pateley Bridge. The scale of anticipated development for Ripon and the surrounding area, including the Ripon Barracks site, does not warrant the introduction of a new secondary school in the town area. The LA is expecting to secure developer contributions to enable the expansion of provision on an existing secondary town site(s) and have commenced discussions about how to introduce additional capacity.

### Skipton Secondary Schools

It is not expected that the new housing in Skipton will warrant the need for additional secondary school places in the town. There are currently 568 surplus places across the secondary schools in Skipton and the estimated pupil yield from new housing is not expected to exceed that number.

### South Craven School

The Bradford Local Plan includes a target for new homes in Silsden of 1,200 homes, and in Steeton and Eastburn of 700 homes. Using our usual multiplier of 1 secondary aged pupil from every 8 houses, this would generate approximately 238 secondary aged pupils. The Craven Local Plan includes proposals for housing in Glusburn/Crosshills, Cononley, Cowling, Farnhill & Kildwick, Sutton-in-Craven, which would generate approximately 20 secondary aged pupils. These would be in addition to the pupils from current housing permissions shown in Appendix 1.

South Craven School currently has around 182 pupils from outside its catchment area from the Skipton area, and around 291 pupils from outside its catchment area, mainly from the Bradford Local Authority area. If there were increased demand from within its catchment area, the proportion of out-of-catchment area pupils would decrease over time.

## 9.0 Recommendation

- 9.1** That Members note the report and consider how they can influence the factors that affect School sustainability in the Skipton and Ripon area.

Authors: Amanda Newbold (Assistant Director – Education and Skills), Howard Emmett (Assistant Director – Strategic Resources), Jane Le-Sage (Assistant Director – Inclusion), Andrew Dixon (Strategic Planning Manager)
