It is proposed that an advertisement be placed by the Chair of the Committee. The Monitoring Officer will undertake short-listing. Subsequently a meeting of this Committee will be held to interview candidates. The Standards Committee will then recommend to the Authority which candidate should be appointed.

With regard to the timetable a special meeting of the Standards Committee will need to be convened before the end of 2007 to interview the candidates in time to recommend an appointment to the Authority.

.0 RECOMMENDATIONS

.1

Members approve the process for the appointment of an independent Member of the Committee
