

NORTH YORKSHIRE COUNTY COUNCIL

STANDARDS COMMITTEE

24 January 2011

Work Programme 2011

1.0 PURPOSE OF REPORT

1.1 To consider the Committee's future Work Programme.

2.0 BACKGROUND

2.1 At its first meeting each year, the Standards Committee agrees a forward programme of work in relation to the ethical agenda, which is reviewed at each meeting of the Committee.

3.0 WORK PROGRAMME

3.1 A proposed Work Programme for 2011 is attached at Appendix 1 for Members' information and comments.

3.2 Given the intended abolition of the current standards regime, the Work Programme has been kept deliberately light, so that work arising due to the changes in the regime can be accommodated over the year. To ensure that other matters in which the Committee has been involved are tracked and reviewed as necessary (without undertaking any work which may ultimately prove abortive in the longer term), pending the outcome of the changes to the standards regime, such matters have been listed at the end of the Work Programme.

3.3 Members are requested to consider the Work Programme and whether they would wish to make any changes or include any other items at this stage.

4.0 RECOMMENDATIONS

4.1 That, subject to any comments they may have, Members agree the Standards Committee's Work Programme for 2011 attached at Appendix 1.

CAROLE DUNN
Monitoring Officer
