

## Agenda

**Meeting: Thirsk and Malton Area Constituency Committee**

**Venue: Remote Meeting via Skype**

**Date: Wednesday 23 September 2020 @ 10am**

### Business

Recording is allowed at County Council, committee and sub-committee meetings which are open to the public, please give due regard to the Council's protocol on audio/visual recording and photography at public meetings, a copy of which is available to download below. Anyone wishing to record is asked to contact, prior to the start of the meeting, the Officer whose details are at the foot of the first page of the Agenda. We ask that any recording is clearly visible to anyone at the meeting and that it is non-disruptive. <http://democracy.northyorks.gov.uk/>

- 1. Minutes of the meeting held 11 March 2020 (Pages 5 to 8)**
- 2. Apologies & Declarations of Interest**
- 3. Public Questions or Statements**

Members of the public may ask questions or make statements at this meeting if they have given notice and provided the text to Melanie Carr of Democratic Services (*contact details below*) no later than midday on Friday 6 March 2020. Each speaker should limit themselves to 3 minutes on any item. Members of the public who have given notice will be invited to speak:

- at this point in the meeting if their questions/statements relate to matters which are not otherwise on the Agenda (subject to an overall time limit of 30 minutes);
- when the relevant Agenda item is being considered if they wish to speak on a matter which is on the Agenda for this meeting.

If you are exercising your right to speak at this meeting, but do not wish to be recorded, please inform the Chairman who will instruct those taking a recording to cease whilst you speak.

**4. Rural Policing Presentation**

Purpose: To provide an insight into the work of the Rural Policing Team across the Constituency Area

**5. Highways England Update**

Purpose: To provide a verbal update on ongoing and planned work on key routes into and across the locality.

**6. Schools, Educational Achievement & Finance (Pages 9 to 20)**

Purpose: To provide an update on the local educational landscape, educational achievement and the financial challenges affecting schools in the Thirsk & Malton constituency committee area.

**7. Work Programme (Pages 21 to 24)**

Purpose: To consider, develop and adopt a Work Programme for 2020/21 for the Area Constituency Committee.

**8 Other business which the Chairman agrees should be considered as a matter of urgency because of special circumstances.**

Barry Khan  
Assistant Chief Executive (Legal and Democratic Services)  
County Hall  
Northallerton

15 September 2020

## Thirsk & Malton Area Constituency Committee Membership

<b>County Councillors (12)</b>			
	<i>Councillors Name</i>	<i>Political Group</i>	<i>Electoral Division</i>
1	ARNOLD, Val	Conservative	Kirkbymoorside
2	BAKER, Robert	Conservative	Sowerby
3	BURR, Lindsay MBE	NY Independents	Malton
4	DADD, Gareth	Conservative	Thirsk
5	DUNCAN, Keane	Conservative	Norton
6	GOODRICK, Caroline	Conservative	Hovingham and Sheriff Hutton

## North Yorkshire County Council

### Thirsk and Malton Area Constituency Committee

Minutes of the meeting held at The Friends Meeting House, 19 Castlegate, Pickering, YO18 7AX on Wednesday 11 March 2020 at 10 a.m.

**Present:**

County Councillors Caroline Goodrick (Chair), Val Arnold, Lindsay Burr MBE, Gareth Dadd, Keane Duncan, Peter Sowray, Roberta Swiers and Greg White.

**Apologies:** County Councillors Robert Baker, Caroline Patmore, Janet Sanderson & Helen Swiers

**Also in Attendance:** County Councillor Carl Les; Helen Cammish – Community & Primary Care General Manager, Humber Trust; Margaret Wallace - Ryedale District Council; Stuart Minting

**Officers in Attendance:** James McCluskey - NYCC Trading Standards Officer; Melanie Carr - Principal Democratic Services & Scrutiny Officer, Steve Loach – Principal Democratic Services Officer; Luke Macintosh & Mike Cratchley - Business Support Officers. Andrew England & Andrew Santon – NYCC Highways and Transportation,

---

**Copies of all documents considered are in the Minute Book**

---

**60. Welcome by the Chair – introductions and updates**

The Chair welcomed everyone to the meeting and confirmed there were no updates to provide.

**61. Minutes of the meeting held on 10 January 2020**

**Resolved –**

That the Minutes of the previous meeting of the Thirsk and Malton Area Constituency Committee held on 10 January 2020, having been printed and circulated, be confirmed and signed by the Chair as a correct record.

**62. Declarations of Interest**

No declarations of interest were made at the meeting.

**63. Public Questions or Statements**

There were no public questions or statements.

#### 64. Highways England Update

Members noted that an update had been provided in writing but expressed their disappointment that again no Highways England representatives were in attendance at the meeting. The Principal Democratic Services & Scrutiny Officer confirmed her continuous efforts to achieve their attendance had been unsuccessful and that other Area Constituency Committees had experienced similar.

Members agreed it was unacceptable and Highways officers present at the meeting offered to liaise with Highways England going forward in a renewed effort to get them to engage.

As it would not be possible to clarify any issues raised in the update without a Highways England Representative present, Members agreed to defer the item to their next meeting in June 2020

#### 65. Trading Standards Presentation

James McCluskey - Trading Standards Officer, provided a detailed overview of the types of scams and eCrimes being perpetrated across the constituency area which included consumer and retail fraud, subscription traps, advanced fee fraud and phishing, the scale and impact of which had increased nationally as a result of the use of IT.

Members noted there had been 51 reported cases in the constituency area between April 2018 and December 2019, and expressed concern at the effect they had on the most vulnerable and elderly residents, giving examples of cases they were aware of. They also suggested the actual number of cases was likely to be higher as some residents were too embarrassed to report or unaware of how to report.

James McCluskey confirmed there was a national consumer helpline providing a clear mechanism for reporting. He also confirmed work was ongoing to gather intelligence, identify those involved and work with communities to educate residents.

He made members aware of a number of initiatives being undertaken which included a project working with the Post Office to identify vulnerable residents, and information sharing through Parish Councils. Members suggested bank staff needed training to identify instances where vulnerable residents were being taken advantage of.

Members were encouraged to help with protecting residents in their areas through education and support for those effected and Members suggested they would benefit from a regular newsletter keeping them informed of what was happening in their areas. Finally, Members proposed the issue would benefit from some more in depth scrutiny in order that some firm recommendations could be submitted to the Executive, and the Democracy Officer agreed to raise it with the appropriate Overview & Scrutiny Chair.

The Chair thanked James McCluskey for his attendance and it was

**Resolved** – That the update be noted

#### 66. Cycle Strategy Update

Members considered a written update on North Yorkshire County Council's approach to cycle path network provision. As the report was for information only and there was no officer present to answer questions, it was

Resolved – that the update be noted

**67. Rural Commission Update**

Members received a written update on the work of the Rural Commission, noting Commission's purpose and aims, and the planned approach to gathering evidence in support of the it's work.

They considered the list of themes identified and the proposal that the Area Constituency Committees may want to form a sub-group to draft a report in response to the Commission's 'call for evidence'. They also noted that the findings from the Commission were scheduled to be presented at a future meeting in December 2020.

Recognising that the logistics of having sub group meetings may prove a barrier, it was agreed that if so minded, Members should submit an individual response.

Resolved – That the update be noted

**68. Work Programme**

Members considered a report by the Assistant Chief Executive (Legal and Democratic Services) which contained the Committee's current work programme and a draft work programme for the coming municipal year (2020/21).

In light of the discussions at the meeting, it was agreed that the attendance of Highways England be added to the work programme for the next meeting of the Committee, in June 2020.

Members also expressed an interest in receiving an update on Devolution and agreed to add it to their work programme for their meeting in September 2020.

Resolved – That the draft work programme for 2020/21 be updated to include the additional items identified above.

The meeting concluded at 11:18am

**North Yorkshire County Council  
Thirsk & Malton Area Constituency Committee  
23 September 2020**

**Schools, Educational Achievement and Finance**

**1.0 Purpose of the Report**

- 1.1 To inform Members of the local educational landscape, educational achievement and the financial challenges which affect schools in the Thirsk & Malton constituency committee area.

**2.0 Local educational landscape**

- 2.1 There are now 13 primary academies and 3 secondary academies within the Thirsk & Malton constituency area. The academy conversion rate is slightly lower within the constituency area than the county as a whole (23% of primary schools in the area compared to 28.3% in North Yorkshire, and 43% of secondary schools in the area, compared to 56% in North Yorkshire).

**Summary of schools' status – September 2020**

	Schools in North Yorkshire		Schools in Thirsk & Malton ACC	
Primary Maintained	218	71.7%	44	77%
Primary Academy & Free School	86	28.3%	13	23%
<b>Total</b>	<b>304</b>		<b>57</b>	
Secondary Maintained	19	44%	4	57%
Secondary Academy	24	56%	3	43%
<b>Total</b>	<b>43</b>		<b>7</b>	
Special Maintained	8	80%	1	100%
Special Academy	2	20%	0	
<b>Total</b>	<b>10</b>		<b>1</b>	
PRU Maintained	4	80%	0	0%
PRU Academy	1	20%	0	
<b>Total</b>	<b>5</b>		<b>0</b>	
<b>Total maintained</b>	<b>249</b>	<b>69%</b>	<b>49</b>	<b>75%</b>
<b>Total Academy</b>	<b>113</b>	<b>31%</b>	<b>16</b>	<b>25%</b>
<b>Overall Total</b>	<b>362</b>		<b>65</b>	

**3.0 School Standards**

**3.1 School Ofsted Judgements**

In the constituency area 77.2 per cent of primary schools are judged good or outstanding by Ofsted, which is below the North Yorkshire and national averages. In terms of secondary

schools, 57.1 per cent are judged good or outstanding, which is lower than the North Yorkshire average. There are 12 schools currently judged requires improvement or inadequate.

### 3.2 Attainment Overall

Following the Coronavirus pandemic and lockdown, pupils in all phases of schooling did not sit formal examinations. This means that for GCSE, A Level and other qualifications, pupils' grades are based on centre assessed grades (CAGs) or the grade calculated by the exam board during the standardisation process, whichever is higher. Schools followed rigorous guidance in order to make sure that their CAGs were as accurate as possible. Since government guidance states that 2020 outcomes must not be used for monitoring and accountability purposes, the Local Authority will not be publishing 2020 examination results or outcomes at any key stage. With regard to Ofsted, inspections have ceased and will not be reinstated until January 2021 although Ofsted 'visits' will be undertaken during the Autumn term in order to gather information about how schools across the country are managing the full return to school. Guidelines to Ofsted inspectors say that the data and information will be based on 2019 exam results.

3.3 The following sections provide 2019 outcomes for:

- Early Years Foundation Stage Profile – assessment at the end of reception (4-5 year olds)
- Key Stage 2 – assessment at the end of primary school (10-11 year olds)
- Key Stage 4 – assessment at the end of secondary school (15-16 year olds)
- Key Stage 5 – assessment at the end of sixth form/college (17-18 year olds)

### 3.4 Early Years Foundation Stage Profile

72.4% of children in the constituency area achieved a Good Level of Development. The level of performance has improved since 2017 and is slightly below the North Yorkshire average but higher than the national average.

<b>Early Years Foundation Stage Profile – percentage achieving a good level of development</b>			
	<b>Thirsk and Malton</b>	<b>North Yorkshire</b>	<b>National</b>
<b>2017</b>	68.9%	71.6%	70.7%
<b>2018</b>	70.5%	72.5%	71.6%
<b>2019</b>	72.4%	72.8%	71.8%

3.5 Key Stage 2

64.7% of children in the constituency area achieved the expected level or above in reading, writing and maths combined, which is above the North Yorkshire and below national benchmarks. The level of performance has increased by 3.3% since 2017, which is a slightly lower improvement than North Yorkshire and nationally.

<b>Key Stage 2 - percentage achieving the expected standard or above in reading, writing and maths combined.</b>			
	<b>Thirsk and Malton</b>	<b>North Yorkshire</b>	<b>National</b>
<b>2017</b>	61.4%	58.7%	61.1%
<b>2018</b>	60.0%	62.2%	64.4%
<b>2019</b>	64.7%	63.3%	65.0%

3.6 Key Stage 4

The average Attainment 8 score, which measures the achievement of a pupil across eight qualifications, was 47.1. This is lower than the North Yorkshire average but higher than the national average. Performance has decreased in the constituency since 2017.

<b>KS4 – Average Attainment 8 Score</b>			
	<b>Thirsk and Malton</b>	<b>North Yorkshire</b>	<b>National</b>
<b>2017</b>	48.3	49.6	46.3
<b>2018</b>	48.3	48.3	46.4
<b>2019</b>	47.1	48.7	46.7

3.7 The Progress 8 score, which measures a pupil's progress from the end of primary school to the end of secondary school, was above the national average, but just below the North Yorkshire average (0 is the national average).

<b>KS4 – Average Progress 8 Score</b>			
	<b>Thirsk and Malton</b>	<b>North Yorkshire</b>	<b>National</b>
<b>2017</b>	0.17	0.17	0.00
<b>2018</b>	0.22	0.13	0.00
<b>2019</b>	0.08	0.09	0.00

3.8 The percentage achieving a grade 5 or above (grading is 9-1) in English and Maths was 40.4%. This is below the national average and the North Yorkshire average. The results in this constituency dropped by a significant amount between 2018 and 2019 whereas there was a more modest decrease across North Yorkshire and a small increase in scores Nationally

<b>KS4 – Percentage achieving a grade 5 or above in English and Maths</b>			
	<b>Thirsk and Malton</b>	<b>North Yorkshire</b>	<b>National</b>
<b>2017</b>	48.8%	50.4%	42.6%
<b>2018</b>	46.3%	47.7%	43%
<b>2019</b>	40.4%	47.4%	43.3%

3.9 Key Stage 5

The A-level average point score per entry in the constituency was 30.7, which is below the North Yorkshire and National averages.

<b>KS5 – A-level average point score per entry</b>			
	<b>Thirsk and Malton</b>	<b>North Yorkshire</b>	<b>National</b>
<b>2017</b>	37.8	33.9	32.3
<b>2018</b>	31.8	32.8	31.8
<b>2019</b>	30.7	33.4	32.2

3.10 Not in education, employment or training

There were 857 young people recorded in Year 11 in this constituency in May 2019 and of this cohort only 4 (0.46%) were not in education, employment or training after leaving school as of January 2020.

4.0 **Fixed-term and Permanent Exclusions**4.1 Fixed-term exclusion Incidents

The table below shows the number of fixed-term exclusion incidents for the 2019/20 academic year to 23rd March (lockdown).

<b>Fixed term exclusions</b>				
<b>Academic year</b>	<b>Thirsk and Malton</b>	<b>North Yorkshire</b>	<b>Percentage of North Yorkshire total</b>	<b>Most common reason</b>
<b>2019/20 (up to 23rd March Covid-19 lockdown)</b>	760	4111	18.4%	Persistent disruptive behaviour (35%)
<b>2018/19</b>	831	5962	13.9%	Persistent disruptive behaviour (47.8%)
<b>2017/18</b>	846	6,005	14.1%	Persistent disruptive behaviour (48.2%)
<b>2016/17</b>	650	4,583	14.2%	Persistent disruptive behaviour (46.8%)

4.2 In the 2019/20 school year up to Covid-19 lockdown, 760 of the 4111 incidences of fixed-term exclusions in mainstream schools across the county were applied to 338 children and young people who went to schools in the constituency. The current rate of children fixed-term excluded at least once in the year is 2% of the mainstream school population in the constituency.

4.3 The most common reason for a fixed-term exclusion in the constituency has consistently been 'persistent disruptive behaviour'.

4.4 In 2018/19 schools in the constituency area had a 15% share of the total schools population in North Yorkshire but only a 13.9% share of fixed term exclusions for the whole county, this has increased to 18.4% in the 2019/20 academic year.

4.5 Fixed-term exclusions can be a useful sanction, but frequent use can place pressure on family and foster placements, impacts on achievement, and may lead to risky behaviour while the pupil is not in school during the day.

4.5 Permanent exclusions

The table below shows the number of permanent exclusions and the most common reasons for permanent exclusion.

<b>Permanent exclusions</b>				
<b>Academic year</b>	<b>Thirsk &amp; Malton</b>	<b>North Yorkshire</b>	<b>% of North Yorkshire total</b>	<b>Most common reason</b>
<b>2019/20 (up to 23rd March Covid-19 lockdown)</b>	11	56	19.6%	Persistent disruptive behaviour (3 exclusions)
<b>2018/19</b>	15	87	17.3%	Drug and alcohol related (60%)
<b>2017/18</b>	15	103	14.6%	Physical assault against a pupils (26.7%). Drug and alcohol related (26.7%)
<b>2016/17</b>	10	86	11.6%	Persistent disruptive behaviour (40%)

4.6 From September 2020 the transition of the Pupil Referral Service (PRS) to provide preventative places to reduce the need for secondary exclusions will be introduced. Schools are able to request placements at the PRS as part of a joint education programme for children that are disengaging from mainstream school. The partnership approach between the PRS and school will ensure that children receive the necessary support without a permanent exclusion.

## 5.0 Special Education Needs and Disabilities

### 5.1 Reshaping of SEN Provision in Thirsk & Malton over the 2019/20 Academic Year

#### 5.1.1 Targeted Mainstream Provision

As part of the SEND Strategic Plan for Educational provision 2018-23, it was identified that there was a need to change the model for Enhanced Mainstream School (EMS) to provide greater numbers of in reach places for children with an EHC Plan who were able to access mainstream schooling but with additional support to meet their special educational needs. A new model of provision, Targeted Mainstream Provision (TMP) has been developed which is intended to help the LA meet demand for full time education provision for children with SEND and who have an Education, Health and Care Plan. As the number of children with an EHCP continues to rise and demand increases on special school and high cost independent school places the establishment of full time places in TMP will assist the LA in providing suitable local education provision to meet levels of demand.

The process required for changing between these models was started in 2019 and over the 2019/20 academic year consultation was held with stakeholders including at schools where the EMS model was being discontinued and where the new TMP model was proposed to be located. Following the required statutory process the decision to implement these changes from September 2020 was approved in August 2020. The number of schools currently approved to operate TMP represents the first phase and it is intended that over the next year further schools will be brought on board to increase the total number of TMP

across the county. In the initial phase the secondary SEMH targeted provision will be delivered via a partnership between Hambleton Pupil Referral Unit and Thirsk School hosted on the Thirsk School site.

The 'outreach' offer for children and young people with SEND will continue to be met by the new SEND multi-disciplinary hubs made up of with specialist staff employed directly by the Local Authority including specialist teachers, practitioners, educational psychologists and therapists.

## 5.2 SEN Statistics for Constituency Area

As of January 2020 there were 427 children living in the constituency with a North Yorkshire funded EHC plan, 13.9% of the North Yorkshire total. The most common needs for children with a North Yorkshire funded EHC plan living in the area are Autistic Spectrum Disorder (ASD) at 26 %, Social, Emotional and Mental Health (SEMH) at 20.4% and Moderate Learning Disabilities (MLD) at 19.7%.

As of the January 2020 school census there were 1526 children recorded as SEN Support from schools in this constituency, 16.6% of the North Yorkshire total. The most common needs for children receiving SEN support in the area are Moderate Learning Difficulties at 23.4% and Speech, Language and Communication at 21.2%.

## 6.0 **School Finance**

### 6.1 Schools in Financial Difficulty – the countywide position

As of March 2020 the overall position for North Yorkshire Schools was:

- 37 schools with accumulated deficits totalling £7.2M
- This was an increase of £2.2M from 2018/19 (after adjusting for school closures, amalgamations and academy conversions in 2019/20)
- Deficits range from £1k (small primary) up to £1.6M (special school)
- Average primary school in deficit is £45k
- Average secondary school in deficit is £521k
- Of the 37 schools, 19 are predicting that their position will deteriorate
- 18 schools are projected to improve their position, but only 9 are projected to get back into surplus.

### 6.2 School Projections - Based on May 2020/21 Start budgets

- 115 LA maintained schools (49%) are projecting an in-year deficit in 2020/21
- 7 schools will move from a surplus balance to a deficit balance by March 2021
- 15% of LA maintained schools are in deficit – that is projected to rise to just over one in five by 2021/22 and two out of every five by March 2023.

	2017/18	2018/19	2019/20	2020/21	2021/22	2022/23
<b>Number of Schools in Deficit</b>	54	47	37	35	55	93
<b>Value of Deficit</b>	£4.4M	£6.0M	£7.2M	£9.4M	£12.5M	£18.3M
<b>Proportion of schools in deficit</b>	19%	18%	15%	15%	23%	40%

### 6.3 Funding

- Concern around overall quantum of funding given cost pressures (e.g. future pay awards, additional expenditure and income loss associated with Covid-19)

- North Yorkshire secondary schools are placed 133 out of 149 local authorities in terms of funding. On average, a school in North Yorkshire will receive £5,151 per pupil in 2020-21 compared to a national average of £5,496. Comparing the funding for a 1,500 pupil secondary school this equates to a difference in funding of £0.5m
- For primary schools, a North Yorkshire school will receive on average £4,347 per pupil compared to a national average of £4,279.
- Concern over impact of continued high needs financial pressures on school budgets
- North Yorkshire has a number of schools that, geographically, are vital in serving their local communities. Inadequate sparsity funding and general financial pressures, particularly for smaller secondary schools, continue to be a significant concern.

#### 6.4 Schools in Financial Difficulty – Thirsk and Malton

<b>2020/21</b>	<b>2022/23</b>
7 schools projecting to be in deficit by March 2021; 16% schools in Thirsk and Malton	13 schools projecting to be in deficit by March 2023; 29.5% schools in Thirsk and Malton
5 primaries; 1 secondary and 1 special	10 primaries; 2 secondaries and 1 special
Total value of deficits = £1,546k	Total value of deficits = £2,115k
Average primary deficit = £25k; Average secondary deficit = £434k Average special deficit = £986k	Average primary deficit = £68k; Average secondary deficit = £187k Average special deficit = £1,064k

## 7.0 **Planning School Places**

### 7.1 School Sustainability

The sustainability of schools is largely influenced by three key factors which are usually related to each other:

- Falling pupil rolls
- School standards
- Financial difficulty

Where school closures have regrettably occurred in North Yorkshire all of these factors have been relevant. There have been 10 closures in the county over the last 3 years but none in the constituency area.

### 7.2 Collaborative Working

Collaborative working is two or more schools working together to the mutual benefit of their pupils with the overall aim of improving outcomes for all. This has the potential to broaden opportunities and contribute to efficiencies. There are now 4 federations in the Thirsk and Malton area. In three of these federations there are 2 maintained schools with a single governing body and headteacher. The fourth is the Ryedale Federation which includes one secondary school and three primary schools.

### 7.3 Pupil Rolls – current and future

The County Council has a statutory duty to ensure sufficient school places are available for every child under the Education Act 1996. For this purpose, it groups schools together into planning areas in accordance with the requirements of the Education and Skills Funding Agency. Appendix 1 shows the planning areas together with:

- Capacity in the planning area
- Current numbers on roll
- Projected future numbers
- Projected impact of approved housing developments

7.4 The County Council is carefully monitoring pupil numbers across the Thirsk and Malton constituency area. A large proportion of the constituency is rural and served by small schools located within villages. A falling birth rate combined with changing demographics means that a number of small schools are facing financial challenges associated with low numbers on roll. Across the constituency the schools have worked innovatively to mitigate these challenges including forming local federations. Like all small schools the fluctuation of pupil numbers exacerbates the already challenging nature of school funding. The general picture across the whole of the County shows projected growth in the urban areas contrasting with declining numbers in rural locations. There are several social and economic reasons for this including the availability and price of housing and employment factors.

7.5 Appendix 1 does not include projections of pupil yield from sites proposed in the Hambleton or Ryedale Local Plans which do not yet have planning approval. However, Thirsk and Easingwold are the constituency area's main urban areas within the Hambleton region and over the Local Plan period will accommodate most of the growth. In the Ryedale district the main urban centre is made up of the adjoining towns of Malton and Norton. In the Ryedale Local Plan a high proportion of the projected housing need has been allocated to sites within this area.

7.6 The key points to note within LA planning areas across the constituency area are:

*Easingwold Area* - Members will be aware of the high number of housing completions in Easingwold and the significant housing allocations with existing permissions in Easingwold. Additionally, further allocations are proposed in the Local Plan. Officers will be reviewing the expected impact of the Local Plan on the need for additional school capacity at Easingwold Community Primary School, once the Examination in Public of the Local Plan is held in late October and early November 2020. The Local Plan's preferred development site in Easingwold includes additional land for the primary school to replace playing field and site area shortfalls. There is sufficient capacity in Easingwold's secondary school to accommodate the anticipated pupil yield from Local Plan housing.

*Thirsk Area* - Significant housing has been built in the Sowerby area of Thirsk. Although the Sowerby Gateway development fell within the catchment area of Sowerby Primary Academy the school could not be expanded sufficiently to accommodate the additional children. A new primary school has been built to serve the Sowerby Gateway development. Keeble Gateway Academy, which is run by the Elevate Academy Trust, is a new one form entry primary school in Thirsk. We support the phased opening of the new school and its gradual growth each year to avoid destabilising existing schools. There remains some surplus capacity in Thirsk's secondary school, however, given the projected levels of housing growth in the area the school could, in the future, approach its capacity.

*Malton and Norton Area Primary* – As stated above, the Malton and Norton area is the main area of projected housing growth identified in the Ryedale Local Plan. In the recent years a further form of entry (210 places) was added to Norton Community Primary School partly through the development of a new satellite site at Brooklyn House. This was projected to meet the need for new places arising from existing sites with planning permission within Norton. There is a further school site allocated within the Local Plan for the largest housing allocation in the district at Norton Lodge. NYCC Officers are working with RDC colleagues

and the developer to secure the site as part of a S106 agreement at the point that the site is submitted for planning permission.

7.7 Alongside these expansions in Norton there has been a parallel strategy to increase places in Malton. Projects were explored to provide further places through S106 contributions at both Malton Community Primary School and St Mary’s Roman Catholic Primary School. The latter of these projects has now completed and provides a further half form of entry (105 places) at St Mary’s. At present, pupil yields arising from the housing developments in Malton have not been as high as projected and as such no further expansions are planned at this time. The situation is being monitored and if this changes further expansion can be reconsidered.

7.8 *Malton and Norton Area Secondary* - At the outset of the Local Plan process in Ryedale there was surplus capacity at both the secondary schools within the Malton and Norton school place planning area. However, given the projected levels of housing growth it was acknowledge that at some point further secondary places may need to be provided within the area. The LA is currently supporting a project at Malton School to support an increase in their Admission Number. This will provide some additional places that are projected to be required in coming years. However, there is still further capacity available at Norton Academy and the LA will work with both schools to consider further expansion if this becomes necessary.

**8.0 Recommendation**

8.1 That Members note the report on educational factors in the Thirsk and Malton constituency area.

**North Yorkshire County Council  
Thirsk & Malton Area Constituency Committee  
23 September 2020 at 10am**

**Committee Work Programme**

**1.0 Purpose of Report**

- 1.1 The report asks Members to consider the Committee's work programme for 2020/2021 shown at Annex A, and propose topics for future consideration.

**2.0 Committee Remit**

2.1 The Area Constituency Committees:

- Act as a forum for Members to bring forward issues affecting their local Electoral Divisions
- Hear and respond to questions and statements from members of the public relating to anything affecting the community within the constituency area
- Agree a Work Programme which lists items of business which the Committee wishes to consider at future meetings
- Undertake meaningful scrutiny of local health issues within their constituency area, complementing the strategic work undertaken by the Scrutiny of Health Committee
- Undertake meaningful scrutiny of local transport issues within their constituency area, complementing the strategic work undertaken by Transport, Economy and Environment Overview and Scrutiny Committee
- Act as consultees in major decisions that affect their constituency area (including responding to consultations)
- Make recommendations on the application of Innovation funding (supported by the Stronger Communities Team)
- Develop a working relationship with the local MP, sharing updates and information on relevant local issues being addressed by the committee.

**3.0 Scheduled Committee Dates**

3.1 Forthcoming committee dates for the remainder of this municipal year are:

Wednesday 9 December 2020 at 10am

Wednesday 10 March 2021 at 10am

3.2 It is likely that the remaining meetings of this municipal meeting will be held remotely via Microsoft TEAMS.

#### **4.0 Work Programme**

4.1 The Committee's work programme for the remaining 2020/2021 municipal year is attached at Annex A.

#### **5.0 Recommendation**

5.1 Members are asked to consider, amend and adopt to the Committee's work programme for 2020/2021 shown at Annex A.
