NOTES:

- (a) Members are reminded of the need to consider whether they have any interests to declare on any of the items on this agenda and, if so, of the need to explain the reason(s) why they have any interest when making a declaration.

A Democratic Support Officer or the Monitoring Officer will be pleased to advise on interest issues. Ideally their views should be sought as soon as possible and preferably prior to the day of the meeting, so that time is available to explore adequately any issues that might arise.

- (b) Tea and coffee will be available outside the meeting room before the start of the meeting will Members please help themselves.

(c) **Emergency Procedures For Meetings**

Fire

The fire evacuation alarm is a continuous Klaxon. On hearing this you should leave the building by the nearest safe fire exit. From **Meeting Room 3** this is the staircase outside Meeting Room 3 or, if that is unsafe, the main entrance stairway. Once outside the building please proceed to the fire assembly point outside the main entrance

Persons should not re-enter the building until authorised to do so by the Fire and Rescue Service or the Emergency Co-ordinator.

An intermittent alarm indicates an emergency in nearby building. It is not necessary to evacuate the building but you should be ready for instructions from the Fire Warden.

If you discover a fire, you should sound the alarm and then dial 9-999 asking the Fire Brigade to come to the main County Hall Building, Northallerton. You should then ring County Hall Reception on 5586 to inform them where the fire is.

There are alarm points at each end of the Meeting Room corridor – and at the main stairway.

Accident or Illness

First Aid treatment can be obtained by telephoning Extension 7575.
