

ITEM 5 - LATE REPORT

North Yorkshire County Council

Transport, Economy and Environment Overview and Scrutiny Committee

Highways England update - 21 July 2016

1. A-one+ delivered works:

1.1 A-one+ is currently working on behalf of Highways England as its service provider for:

- Area 12: Yorkshire, Humber and North Lincolnshire
- Area 14: North East

1.2 A summary of works undertaken in 2015/16 on the A64 is provided in **Appendix 1**.

1.3 A summary of the works undertaken or programmed in 2016/17 on the A64 is provided in **Appendix 2**.

2. Barton Hill Crossroads Improvements: A64

2.1 Design work substantially complete (95%), we are just awaiting completion of the Record of Determination/Notice of Determination and contract documents. Completion of the remaining tasks is subject to the confirmation of funding, and therefore the delivery programme is currently in abeyance.

2.2 Compensation for the land acquisition has been agreed with the landowner and Highways England is waiting for the land owner's agent to submit their formal claim.

3. Major Projects Development: A64

Following the announcement of the recent Roads Investment Strategy (RIS), the A64 Hopgrove Roundabout scheme has now moved to our Major Projects Directorate for further development, and we are looking for initial internal feasibility work to be completed by the end of 2016.

The current timescale for the consultation and design development phases is scheduled for the period up to 2020, with expected construction currently during the 2nd RIS period (2020 -2025).

4. Highways England works being carried out on the A1(M)

A summary of works undertaken or programmed in 2016/17 on the A1(M) is provided in **Appendix 3**.

5. Highways England works being carried out on the A66

A summary of works undertaken or programmed in 2016/17 on the A66 is provided in **Appendix 4**.

Appendix 1

A64 Schemes 2015/16

Key Achievements

1. Over 30 lane kilometres of carriageway resurfacing undertaken. Resurfacing works included some extensive deeper carriageway reconstruction in places.
2. Managing the programme to fit with roadspace constraints – works by other parties on the A64 and A1(M).
3. Completion of a number of complex on-carriageway improvement schemes.
4. Significant number of other renewal schemes, primarily road markings and studs and drainage, completed alongside the extensive resurfacing programme.
5. Extensive programme of "Network Enhancements" also undertaken, including verge lowering and hardening, swathe cuts and assisting local Highway Authorities.

Resurfacing Schemes (quantity is lane metres of new surfacing)

• Headley Bar to Bramham Westbound #	5150m	• Grimston Bar Westbound Exit and Entry	2270m
• Headley Bar Eastbound Exit #	760m	• Hopgrove to Grimston Bar	5440m
• Tadcaster Ings to Headley Bar Westbound	6880m	• Barton Hill Westbound #	1180m
• Askham Bar to Askham Bryan Westbound	4740m	• Crambeck to High Hutton #	1080m
• Askham Bar Eastbound Exit	320m	• Staxton Roundabout Approach #	720m
• Askham Bar Westbound Entry Slip	980m	• Hopgrove Roundabout Eastbound Approach	580m

Including deep patches (below 100mm) to maintain structural integrity of the carriageway.

Structures Schemes

- | | |
|--|--|
| • Bishopthorpe North and South Bridges Parapet Renewal (ongoing) | • Yorkfield Railway Bridge Joint Renewal |
|--|--|

Improvement Schemes

- | | |
|---|--|
| • Askham Bar Westbound Entry Slip Wildflower Planting | • East Heselton NMU Improvements |
| • Tadcaster to Bilbrough Safety Improvements | • West Heselton NMU Improvements |
| • Ganton Village Pedestrian Improvements | • Bramham to Headley Bar Footway Improvement |

Other Renewal Schemes

- | | |
|--|--|
| • Headley Bar Drainage Renewal | • Seamer Roundabout Drainage Renewal |
| • Askham Bar to Fulford Drainage Renewal | • Bilbrough Lodge Drainage Renewal |
| • Pickering to Brambling Fields Filter Drain Renewal | • Bramham Westbound Signing Renewal |
| • Headley Bar to Tadcaster Filter Drain Renewal | • Hopgrove Roundabout Road Markings and Stud Renewal |

Design Only Schemes developed for construction in future years

- | | |
|---|---|
| • Pike Hill Golf Club (York) Drainage Improvement | • A64 Askham Bryan NMU Severance Improvements |
| • Brambling Fields Eastbound Exit Ditch Stabilisation | • Scotchman Lane Junction Improvement |

Appendix 2

A64 Schemes 2016/17

Being managed by A-one+

Key Achievements

1. Over 25 lane kilometres of carriageway resurfacing undertaken/planned. Resurfacing works included some extensive deeper carriageway reconstruction in places.
2. Managing the programme to fit with roadspace constraints – works by other parties on the A64 and A1(M).
3. Delivering a number of complex on-carriageway improvement schemes.
4. Managing the complex renewal of the Scamston Bridge vehicle restraint system.
5. Flexibility in programme to deliver Designated Funds works should they be realised.

Resurfacing Schemes (quantity is lane metres of new surfacing)

• Hopgrove to end of duals	1140m	• Fulford to Compmanthorpe Westbound	2200m
• Barton Hill to Whitwell Eastbound	2440m	• Wellburn to Crambeck Hill #	3000m
• Rillington Westgate #	5600m	• Askham Bryan Westbound slip road	400m
• Rillington to West Knapton #	3160m	• Askham Bryan to Copmanthorpe Eastbound	5200m
• West Knapton to East Knapton #	2700m		

Including deep patches (below 100mm) to maintain structural integrity of the carriageway.

Structures Schemes

- Fulford Joints

Improvement Schemes

- Scotchman Lane Junction Improvement

Other Renewal Schemes

- | | |
|--|---|
| <ul style="list-style-type: none"> • Scamston Bridge Vehicle Restraint System Renewal • Brambling Fields Eastbound Exit Ditch Stabilisation • Pickering Interchange Westbound entry slip footpath | <ul style="list-style-type: none"> • Bramham to Hopgrove Marker Post renewal • Hopgrove to Matlon Marker Post renewal • Bramham to Headley Bar Eastbound Footway |
|--|---|

Design Only Schemes developed for construction in future years

- | | |
|--|---|
| <ul style="list-style-type: none"> • North Lane LNMS – Junction restriction • Askham Bryan EB & WB – Footways improvement • Low Hutton EB & WB – Junction Improvement • Tadcaster Bar Westbound Exit Slip – Cycle/Footways Improvement | <ul style="list-style-type: none"> • Hunmanby – Staxton EB & WB – Footways Improvement • Claxton Lane EB & WB - Safety scheme • Jinnah Restaurant – Cycle/Footways Improvement |
|--|---|
