NOTES:

- (a) Members are reminded of the need to consider whether they have any personal or prejudicial interests to declare on any of the items on this agenda and, if so, of the need to explain the reason(s) why they have any personal interest when making a declaration.

The relevant Committee Administrator, Monitoring Officer or Deputy Monitoring Officer (the Head of Committee Services) will be pleased to advise on interest issues. Ideally their views should be sought as soon as possible and preferably prior to the day of the meeting, so that time is available to explore adequately any issues that might arise.

- (b) Tea and coffee will be available in the meeting room a quarter of an hour before the meeting. Will Members please help themselves.

- (c) EMERGENCY PROCEDURES FOR MEETINGS

FIRE

The fire alarm is a continuous klaxon.

If the fire alarm is sounded during a meeting in the Council Chamber:-

the Head of Committee Services (or another Committee Services Unit officer) will act as Fire Evacuation Warden and will issue instructions on the appropriate exit to use, as soon as it is established by a Committee Services officer whether the main staircase is clear of fire or obstruction;

please leave your seat without delay, so that you are ready to leave the Chamber when the evacuation route is clear;

if evacuation is via the main staircase, please leave the building by the main doors, but assemble on the south side car park (with Members' parking bays marked in red);

if evacuation is via the Public Gallery, please leave the Chamber via the doors in the Labour/Liberal Democrat corner of the room, through the Public Gallery and down the staircase to the centre courtyard, from there via the courtyard gate to assemble in the north side car park (by the Superintendent's house on Racecourse Lane);

Committee Services Unit staff will ensure that the Chamber and Public Gallery are cleared, that windows and doors are closed wherever possible, and will report to the Fire Evacuation Controller.

Persons should not re-enter the building until authorised to do so by the Fire and Rescue Service or the Emergency Co-ordinator.

An intermittent alarm indicates an emergency in nearby building. It is not necessary to evacuate the building but you should be ready for instructions from the Fire Warden.

If you discover a fire, you should sound the alarm and then dial 9-999 asking the Fire Brigade to come to the main County Hall Building, Northallerton. You should then dial 0 and inform the switchboard as to where the fire is.

There are alarm points at each end of the Meeting Room corridor – and at the main stairway.

ACCIDENT OR ILLNESS

First aid treatment can be obtained by telephoning Ext 2919 which is the Occupational Health and Safety Section.
