

NORTH YORKSHIRE COUNTY COUNCIL
YOUNG PEOPLE OVERVIEW AND SCRUTINY COMMITTEE

15th February 2007

Work Programme Report

1.0 Purpose of Report

This report asks the Committee to:

- (a) note the information in this report
- (b) confirm, amend or add to the list of matters shown on the work programme (attached at Annex A)

2.0 In-Depth Scrutiny Project – Sports Provision

Members of the Task Group have been involved in several areas of work over the past month and include:

- ❖ Meeting with David Watson Executive Officer North Yorkshire Sport (NYS)
Members were briefed on the role of NYS in raising sports participation.
- ❖ Partnership Development Managers Meeting (PDM)
Members attending this meeting had the opportunity to put forward a number of questions to the PDM's on how the increase in sports participation is measured and evaluated.
- ❖ Visits to Outdoor Education Centre (ODC) – East Barnby and Beverley Park.
Task Group Members chose to visit either the East Barnby or Beverley Park Outdoor Education Centers. This provided members with an excellent opportunity to meet and talk to the young people using the centers facilities.

3.0 4Youth and Adult Services Post Implementation Review (PIR) Task Group

The PIR Task Group set up by the Joint Sub Committee (Economic Development & Young People Overview & Scrutiny Committees) met with Officers on the 17th January and agreed the terms of reference for this post implementation review. Officers from both Adult Learning & 4Youth services will each produce a report for Members to consider at their next Task Group meeting arranged for mid March.

The first reports from Adult Learning and 4Youth Services are in the process of being considered at Area Committees. The Task Group agreed that at a

later date, it would be extremely useful to collate the comments and responses made by Area Committees and to use this information as a method of learning about provision and take up from a local perspective. This would be undertaken separately to the PIR but would inform the Task Group and contribute to its report.

Recommendation

4.0 The Committee is asked to:

- note the information in this report
- confirm, amend, or add to the list of matters shown on the work programme (attached at Annex A)
