Background

At the last meeting of the Committee the Corporate Director - Children and Young People's Service gave a short presentation and briefing evaluating the performance of the County Councils Children and Young Peoples Service. The Committee were advised that as a result of the JAR Inspection and a recent local review of the Children and Young People's Plan various revisions to the original document had been made.

The Corporate Director – Children and Young Peoples Service explained that the working draft was well progressed and that the final version would be available from 1 June 2007. It was agreed that for the next meeting of the Committee the Corporate Director would prepare a comprehensive report on the review of the Children and Young Peoples Plan and at the same time inform the Committee of the service priorities for the forthcoming year.

At the time of the Agenda papers being sent out the Corporate Director was unable to clear the report until Monday (25th). It was agreed therefore to send this report out under separate post when it is finalised.
