Additional Budget Savings Required in 2013/14 and 2014/15 – Children and Young Peoples Directorate

1 Purpose of the Report

- 1.1 To provide an opportunity for the Committee to contribute to discussions and plans for achieving the additional budget savings required in 2013/14 and 2014/15 in the Children and Young Peoples Directorate.

2 Background

- 2.1 Members will recall that by the end of the current 4 year Medium Term Financial Strategy in 2014/15 the County Council was required to make savings of £69m.
- 2.2 As a result of the Chancellor's autumn statement announced in December 2012 and the Council receiving its Provisional Government Settlement for 2013/14, this figure has increased by £24m to £93m.
- 2.3 Plans are already in place under which the Council is on course to have saved £52m of the £93M by the end of this year.
- 2.4 The budget situation was a topic at the Members seminars on 14 November 2012, 5 December 2012 and 9 January 2013. Appendix 1 is an extract from the presentations on 9 January and provides an overview of the savings required over the next 2 years.
- 2.5 Additional information will be provided at the meeting by the Assistant Director Finance and Management Support Children and Young Peoples Directorate.

3 Recommendation

- 3.1 That Members consider the plans for achieving budget savings across the Children and Young Peoples Directorate so that any comments may be taken into account by the Executive at its meeting on 5 February 2013.
