

**NORTH YORKSHIRE COUNTY COUNCIL**

**Access to Information Procedure Rule 4**

**NOTICE OF PRIVATE ITEM**

**Double Devolution – Pilot Business Case sign-off**

The County Council's Constitution provides that at least 28 clear days before a private meeting (a meeting, or part of a meeting, of the executive decision making body during which the public are excluded) the executive decision-making body must give notice of its intention to hold the meeting in private (including a statement of the reasons for holding it in private) by making the notice available at County Hall and at the venue for the meeting (if different) and publishing it on the Council's website.

It is anticipated that on 15 October 2024 a report seeking to progress the double devolution pilots for a number of parish and town councils will be considered by the Executive. business case templates have been shared with them all and will require sign-off individually once completed. The intention to make this key decision is published on the Forward Plan.

The report is likely to contain exempt information. The information anticipated to be contained in the report is of the type defined in paragraph 3 of Part 1 of Schedule 12A to the Local Government Act 1972 (Information relating to the financial or business affairs of any particular person (including the authority holding that information)) and it is considered that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. This part of the meeting may therefore be held in private.

This Notice gives notice of the intention to hold this part of the Executive meeting in private.

Should you wish to make any representations as to why this part of the meeting should be held in public, please contact me using the details below:
